Guidelines for the Mississippi Board of Pharmacy Public Hearing on Proposed Regulations
Title 30, Part 3001, Article XLIX Shared Services
Title 30, Part 3001, Definitions

1. An Agenda for the hearing will be available prior to the start of the hearing and will set forth the order of participants to speak before the Mississippi Board of Pharmacy (hereinafter Board”). The participants shall be those persons who requested in writing to make oral statements at the hearing, as provided in the Board’s posted special public hearing notice.
2. The Board President, or his designee, shall preside at the hearing and shall conduct the hearing in an orderly fashion. The Board shall record the hearing by stenographic means, which shall be the official transcript of oral presentations made in the hearing.
3. At the hearing, only recognized participants may make oral statements and make documentary submissions concerning the proposed regulation. Submissions presented by participants at the hearing shall be submitted to the presiding officer. Such submissions become the property of the Board and are subject to the Board’s public records request procedure.
4. At the hearing, those who participate shall indicate their names and addresses, identify any persons or organizations they may represent, and provide any other information relating to their participation deemed appropriate by the presiding officer.
5. The presiding officer shall place a time limitation of ten (10) minutes for an individual’s oral presentation to assure the orderly and expeditious conduct of the hearing. To encourage joint oral presentations and to avoid repetition, additional time may be provided for persons whose presentations represent the views of other individuals as well as their own views. A joint presentation shall not exceed twenty (20) minutes, unless deemed appropriate by the presiding officer.
6. Participants making oral presentations are encouraged to avoid restating matters that they have already submitted in writing. Additionally, if an oral presentation repeats information that has already been presented, the presiding officer may notify the participant that the information has already been presented and direct the participant to move on to another point.
7. There shall be no interruption of a participant who has been given the floor by the presiding officer, except that the presiding officer may in his or her discretion interrupt or end the participant’s time where the orderly conduct of the proceeding so requires.
8. The presiding officer, may question participants and permit the questioning of participants by members of the Board about any matter relating to that regulation-making proceeding, including any prior written submissions made by those participants; but no participant shall be required to answer any question.
9. The presiding officer shall have the right to remove any individual from the hearing if that individual creates a disruption the hearing.
