Requested Date for PPRB Approval: August 6, 2025
Procurement Method Requested: RFP
Intended Initial Contract Term: 4 years
Intended Renewal Terms Available: 1 year
Number of Contracts Intended to be Awarded: 1
Anticipated Contract Amount: 1,500,000

#### The Agency intends to solicit the following service(s) and/or scope of work:

The purpose of this solicitation is to contract with an Offeror to provide a recovery program for pharmacists, pharmacy students and pharmacy technicians licensed or registered with the Board.

The Board's goal is to protect the public while encouraging and supporting the wellbeing of licensees including recovery of pharmacists, pharmacy students and pharmacy technicians from the diseases of substance abuse disorder, mental or physical illness that may impact a licensee's ability to practice with resonable skills, confidence and safety to the public.

Attached is the intended scope of work for this solicitation.

#### VII. DFA Office of Personal Service Contract Review (OPSCR)

#### A. Petition for Relief from Competitive Sealed Bidding

1. Requesting Agency: Mississippi Board of Pharmacy

**Rfx Number:** 3180002700

**Procurement Request:** Request for Proposals

Anticipated Term: Four Years with One Optional One-Year Renewal

**Summary of Request:** The Agency is seeking one Contractor to provide a recovery program to protect the public while encouraging and supporting the well-being of licensees including pharmacists, pharmacy students and pharmacy technicians in recovery from the diseases of substance abuse disorder or mental or physical illness that may impact a licensee's ability to practice with reasonable skills, confidence, and safety to the public. The Agency contends the use of an Invitation for Bids (IFB) is neither practicable nor advantageous because the Agency needs to evaluate based on experience, and price is not the most important factor to consider for these services. Offerors will be evaluated on the following factors: Technical weighted at 25%, Management weighted at 25%, Cost (Price) weighted at 40%, and Quality Improvement and Governance weighted at 10%.

**Staff Recommendation:** OPSCR recommends approval of this request.

Action: A motion was made by Mr. Russell to approve the staff recommendation as presented. The motion was seconded by Mr. McLeod and unanimously approved by all members present.

3. Requesting Agency: Mississippi State Department of Health

Supplier: University of Mississippi Medical Center

**Contract #**: 8200081922

**Term:** 08/08/2025 – 08/07/2030 **Total Value:** \$125.000.00

New \$125.000.00

**Summary of Request:** The term of the contract is five years with no optional renewals. The Contractor will provide a physician specializing in the treatment and management of Pediatrics Tuberculosis (TB) for the agency. The services include evaluation and management of TB patients, medical consultation, treatment planning and oversight, case conferences and coordination, education and training, public health reporting and documentation, and on call availability. Pursuant to Miss. Code Ann. § 27-104-7(2)(i), agencies under the purview of the PPRB may contract with Government Entities not under the purview of the PPRB, without bidding or other solicitation. The Agency has determined the price represents a fair market value for this service.

**Staff Recommendation:** OPSCR recommends approval of this request.

Action: A motion was made by Mr. McLeod to approve the staff recommendation as presented. The motion was seconded by Mr. Russell and unanimously approved by all members present.

Projected Budget for the Life of the Contract: \$125,000.00 (five years with no renewals)

**Current Contractor:** University of Mississippi Medical Center

4. Requesting Agency: Mississippi Department of Finance and Administration

Supplier: Warner, Inc. dba Service Master One Call

**Contract #:** 8200078979

Term: 03/01/2025 - 02/28/2026 Total Value: \$174.366.96 Modification \$87.183.48

Summary of Request: The term of the original contract is six months with no renewals. The Contractor provides on-site management of the overall day-to-day custodial services at the Mississippi Civil Rights Museum and the Mississippi History Museum on a scheduled basis. Amendment One has been submitted to modify the Consideration clause and extend the contract term for an additional six months. All other terms and conditions of the original contract remain the same. The Agency originally determined that exigent circumstances exist that prevented them from running a competitive solicitation due to legislation introduced during the 2025 Legislative Session related to these services at the museums that made it impossible to determine the length of a resulting contract from any solicitation at that time. The Governor of the State of Mississippi called for a Special Session for the 2025 Legislative Session that began on May 28, 2025, and ended May 29, 2025. Now due to the late date of the Special Session and the pending legislation not passing, DFA has determined it needs to issue a six-month extension for this exigent circumstance contract.

**Staff Recommendation:** Based on the Agency's determination that the requirements for exigent circumstances have been met, OPSCR recommends approval of this request.

Action: A motion was made by Mr. Morehead to approve the staff recommendation as presented. The motion was seconded by Mr. Russell and unanimously approved by all members present.

Projected Budget for the Life of the Contract: \$ 174,366.96 (one year with no renewals)

5. Requesting Agency: Mississippi Department of Child Protection Services

**Term**: 08/07/2025 – 08/06/2030

Summary of Request: The term of the contract is five years with no optional renewals. The Contractors are trauma-informed providers that offer various emergency therapeutic placement and treatment services for complex children and youth who have experienced multiple placement changes. Services will be provided on an as-needed basis. The contractors were awarded a stand-by contract from an Invitation for Bids (IFB) with ten bidders. Contracts were awarded to the lowest bidding and most qualified responsive and responsible bidders. The Agency requests an exception to PPRB OPSCR Rules and Regulations effective September 6, 2024, because it used the previous version of the rules for this solicitation. OPSCR has reviewed the request and has no concerns that granting the exception would affect the competition, fairness, or transparency of the procurement as the agency complied with the requirements in the previous version of the rules.

6. Requesting Agency: Mississippi Department of Public Safety

Supplier: Bode Cellmark Forensics, Inc.

Contract #: 8200079360

**Term:** 03/19/2025 – 3/18/2026 **Modification Total Value:** \$410,276.00 **\$110,276.00** 

**Summary of Request:** The term of the original contract is one year with four optional one-year renewals. The Contractor provides customized testing and reporting services for DNA Testing of Sexual Assault Evidence Kits for the Mississippi Forensic Laboratory. Modification One has been submitted to increase the spending authority and update the Consideration clause. All other terms and conditions of the original contract remain the same.

**Staff Recommendation:** OPSCR recommends approval of this request.

Action: A motion was made by Mr. Russell to approve the staff recommendation as presented. The motion was seconded by Mr. McLeod and unanimously approved by all members present.

Projected Budget for the Life of the Contract: \$410,276.00 (one year with four one-year renewals)

7. Requesting Agency: Ellisville State School

Supplier: C and R Sanford, LLC

Contract #: 8200081891

Term: 08/07/2025 - 06/30/2026 New Total Value: \$200,000.00 \$200,000.00

**Summary of Request:** The term is approximately 11 months with four optional one-year renewals. The Contractor will serve as the master plumber for the agency. This will include underground water & sewer infrastructure repair/maintenance, indoor water & sewer piping/appurtenances maintenances, lift stations, lagoon sewage treatment equipment maintenance, food service equipment maintenance, streamlines, and various other duties along with being knowledgeable of operating a backhoe/front end loader. The Contractor was selected through an Invitation for Bids (IFB) with two respondents. It was awarded to the lowest bidder. The Agency requests an exception to PPRB OPSCR Rules and Regulations 5.1 and 5.6 because certain required content was left out of the solicitation and the notice of intent to award. OPSCR has reviewed the request and has no concerns that granting the exception would affect the competition, fairness, or transparency of the procurement.

**Staff Recommendation:** OPSCR recommends approval of this request, contingent upon the exception request being granted and receipt of the required Certificate of Insurance.

Action: A motion was made by Mr. Russell to approve the staff recommendation as presented. The motion was seconded by Mr. McLeod and unanimously approved by all members present.

Projected Budget for the Life of the Contract: \$1,000,000.00 (eleven months with four one-year renewals)

VIII. DFA Office of Statewide Strategic Sourcing (OSSS)

A. Consideration of Contracts for Board Action

1. Requesting Agency: Mississippi Department of Finance and Administration-BEAM

Supplier: Michael Baker International, Inc.

Contract #: 8200076988

**Term:** 09/05/2024 – 09/04/2025 **Modification Total Value:** \$400,000.00 **\$0.00** 

Summary of Request: The term of the original contract is one year with no renewals. Amendment One has been submitted as a no cost modification to modify the Scope of Services and list of deliverables to comply with a National Telecommunications and Information Administration (NTIA) June 6, 2025, Policy Notice that restructures the Broadband Equity, Access, and Development (BEAD) program. The Policy Notice in part, requires states to conduct engineering feasibility assessments to consider the feasibility of projects that do not use fiber as the primary technology for delivery of broadband services. In addition to fiber, Contractor will assess the feasibility, technical viability and long-term sustainability of alternative technology such as fixed wireless, low earth orbit satellite, coaxial cable, and hybrid models. This work must be completed within 90 days. As a result of the required BEAD program restructuring and the abbreviated schedule, the agency is requesting retroactive approval of the scope and to increase the Contractor's all-inclusive blended hourly rate from \$175.00 per hour to \$196.81 per hour effective July 1, 2025. The rate increase accounts for the additional services and technical expertise required to implement the new NTIA requirements in the abbreviated timeline.

Staff Recommendation: OSSS recommends approval of this request.

Action: A motion was made by Mr. Russell to approve the staff recommendation as presented. The motion was seconded by Mr. Russell and unanimously approved by all members present.

Projected Budget for the Life of the Contract: \$400,000.00

2. Requesting Agency: Mississippi Department of Finance and Administration-BEAM

Supplier: Michael Baker International, Inc.

Contract #: 8200076988

**Term:** 09/05/2024 - 12/31/2025 **Modification Total Value:** \$400,000.00 **\$0.00** 

**Summary of Request:** The term of the original contract is one year with no renewals. The agency submits Amendment Two requesting a no-cost extension of the original contract end date from September 4, 2025, to December 31, 2025, to ensure the BEAM is able to meet the NTIA requirements stated in Amendment One. The Agency has determined that exigent circumstances exist that require an extension of their original contract because based on the original NTIA BEAD requirements and timeline, the Agency did not foresee the need for any renewals. As a result of the changes implemented by the NTIA stated in Amendment One, the BEAM has determined it needs to issue an approximately four-month extension for this contract in order to comply with the NTIA Policy Notice.

**Staff Recommendation:** Based on the Agency's determination that the requirements for exigent circumstances have been met, OSSS recommends approval of this request.

Action: A motion was made by Mr. Morehead to approve the staff recommendation as

## presented. The motion was seconded by Mr. Russell and unanimously approved by all members present.

Projected Budget for the Life of the Contract: \$400,000.00

3. Requesting Agency: Mississippi Emergency Management Agency

Supplier: Witt O'Brien's, LLC Contract #: 8200081559 Term: 08/06/2025 - 08/05/2026 Total Value: \$88,462.00

New

\$88,462.00

Summary of Request: The term of the contract is one year with three optional renewals. The contractor will update the District 5 Hazard Mitigation Plan. Per FEMA planning regulations, the plan is required to be updated every five years and addresses mitigation of natural hazards, such as severe storms, hurricanes, tornados, winter weather, drought, water supply/system failures, and others. The District 5 Regional Hazard Mitigation plan update will include the following jurisdictions: Claiborne County, Port Gibson, Hinds County, Bolton, Edwards, Learned, Raymond, Utica, Issaquena County, Mayersville, Sharkey County, Anguilla, Cary, Rolling Fork, Simpson County, Braxton, D'Lo, Magee, Mendenhall, Canton, Crystal Springs, Madison, and Puckett. The contractor was selected through an Invitation for Bids (IFB) with four (4) bidders. The agency and the lowest cost bidder failed to reach agreement on contract terms. As a result, MEMA rejected the lowest bid and exercised its right to move to the next lowest bidder.

**Staff Recommendation:** OSSS recommends approval of this request.

Action: A motion was made by Ms. Wray to approve the staff recommendation as presented. The motion was seconded by Mr. McLeod and unanimously approved by all members present.

Projected Budget for the Life of the Contract: \$353,848.00 (one year with three one-year renewals)

**Current Contractor: N/A** 

4. Requesting Agency: Mississippi Department of Marine Resources

Supplier: Gulfstream Transport & Salvage, LLC

Contract #: 8200082522

**Term:** 08/06/2025 - 06/30/2026 **New Total Value:** \$249,500.00 **\$249,500.00** 

Summary of Request: The initial term of the contract is approximately eleven months with one optional renewal at no cost. The Contractor will transport and deploy concrete material by barge from the bulkhead at Bollinger Mississippi Repair to reef sites selected by the Agency. The material will create new reefs and/or enhance existing artificial reefs in need of replenishment due to storm damage or subsidence. The contractor was the sole respondent to the Invitation for Bids (IFB) and was deemed responsive and responsible. The Agency determined that other prospective bidders had reasonable opportunity to respond and, to the best of the Agency's knowledge, the intended awardee reasonably anticipated competing bids may be submitted. The Agency further determined that the price submitted is

reasonable. The Agency determined that it is in its best interest to award the contract to the single responsive, responsible bidder.

Staff Recommendation: OSSS recommends approval of this request.

Action: A motion was made by Mr. McLeod to approve the staff recommendation as presented. The motion was seconded by Mr. Russell and unanimously approved by all members present.

Projected Budget for the Life of the Contract: \$249,500.00 (one year with one no cost renewal)

Draft Pharmacy Professionals Recovery Program Services Contract

#### **SECTION 1. INTRODUCTION**

#### 1.1 Overview and Process

Pursuant to Mississippi Code Annotated, Section 73-21-91 and Section 73-21-111, the Mississippi Pharmacy Board (hereinafter "Board") is seeking a contractor to provide a Pharmacy Professionals Recovery Program ("Program") for impaired pharmacists, pharmacy students and pharmacy technicians licensed or registered with the Board. The contract shall be effective on December 1, 2025 and shall terminate on June 30, 2029. There will be an option to renew the contract for an additional one (1) year term, at the discretion and approval of the Board. A draft contract has been included as Appendix A in this RFP for your review and comment. The effective date of this contract will be December 1, 2025.

A copy of this RFP, including any subsequent amendments, along with a copy of all questions from Offerors and responses to those questions, will be posted on The Buying and Selling to Government in Mississippi website and the Board's website under the heading "MBP Proposals Announcements" at <a href="https://www.mbp.ms.gov/news">https://www.mbp.ms.gov/news</a>. Before the award of any contract, the Offeror will be required to document to the Board that it has the necessary capabilities to provide the services specified in this RFP. The Offeror may also be required to provide additional client references, as well as related project experience detail in order to satisfy the Board that the Offeror is qualified. The Board may make reasonable investigations, as it deems necessary and proper, to determine the ability of the Offeror to perform the work, and the Offeror shall be required to furnish to the Board all information that may be requested for this purpose. The Board reserves the right to reject any Proposals if the Offeror fails to provide the requested information and/or fails to satisfy the Board that the Offeror is properly qualified to carry out the obligations of the contract and to complete the work described in this RFP.

This solicitation and any resulting contract shall be governed by the applicable provisions of the Mississippi Public Procurement Review Board (PPRB) Office of Personal Service Contract Review (OPSCR) Rules and Regulations, a copy of which is available on the Mississippi Department of Finance and Administration's website (www.dfa.ms.gov). Any vendor responding to a solicitation for personal and professional services and any contractor doing business with a state agency is deemed to be on notice of all requirements therein.

## 1.2 Purpose and Goals

The purpose of this solicitation is to contract with an Offeror to provide a recovery program for pharmacists, pharmacy students and pharmacy technicians licensed or registered with the Board. The historical number of licensees and registrants participating in the Board's recovery program is between 40 to 60 individuals.

The Board's goal is to protect the public while encouraging and supporting the wellbeing of licensees including recovery of pharmacists, pharmacy students and pharmacy technicians from the diseases of substance abuse disorder, mental or physical illness that may impact a licensee's ability to practice with reasonable skills, confidence, and safety to the public.

#### **SECTION 2. SCOPE OF SERVICES**

This section contains information on services and procedures that the Offeror must provide, or adhere to, in servicing the Board's proposed services.

For the services, please respond by restating each service listed, including the number, and confirm your intention to provide the service as described, respond by stating, "Confirmed". If your company can provide the service, but not exactly as described, respond by stating, "Confirmed, but with exceptions", and state the specific exceptions. Any exceptions should also be noted in Section 4 – Statement of Compliance. If your company is currently unable to provide a listed service, respond by stating, "Unable to provide this service". Any additional details regarding these services should be provided in your responses to the questionnaire, or as additional information included as an appendix to your Proposals.

## 2.1 Program Services

- A. The Contractor must be capable of receiving referrals of licensees and coordinating appropriate communication at any time.
- B. The contractor must develop and maintain a referral list of treatment providers approved to provide assessments and treatment for inpatient and intensive outpatient care and aftercare. Assessments must be performed by qualified evaluators using recognized methodologies, including, but not limited to, screening instruments, psychosocial testing, results of mental health/drug and alcohol history, and personal interviews.
- C. The contractor must administer an individualized treatment plan created by an approved treatment program. Case management must be administered by a qualified resource or resources. The resource(s) may be dedicated or shared.
- D. The contractor must use the intake assessment and recommendations from treatment providers and determine the elements for continuous monitoring for each participant, including:
  - Required participation in treatment to include inpatient, intensive outpatient, outpatient, recommended aftercare, support groups, and one-on-one counseling. The ability to track recovery activities in real time through mobile technology applications and on paper forms.
  - 2) Recovery-related activities, with validation reports from the participants' employers, work-site monitors, counselors, sponsors, and others.
  - 3) Random drug testing incorporating alternative specimens, including hair test, Peth testing, nail, and oral fluid testing, performed by a laboratory that has the appropriate national certification for the performed testing. Testing fees are paid directly to the performing laboratory.
  - 4) Contractor must have routine individual meetings with the participant and coordinate framework for peer-to-peer support (ie. Pharmacist to Pharmacist).
  - 5) Execute and oversee a written substance use disorder agreement.
  - 6) Contractor must have direct communication access with the participant, including but not limited to by phone and email.

- E. The contractor must facilitate an assessment of each participant as part of the intake process to establish the necessary basis for appropriately managing each participant both initially and throughout their program participation. The contractor must also coordinate or help facilitate timely interventions and treatment.
- F. Reporting and Data
  - 1) Quarterly Reports
  - 2) Immediate reporting to the regulatory agency is required for specific circumstances or on demand per Board or Board staff request.

- H. Must have an independent, confidential administrative and/or case management review committee that gives recommendations to program staff. Peer program participants of the committee should only serve in an advisory capacity.
- I. Provide an independent internal review for participant disagreements/grievances against staff or case review committee recommendations
- J. Contractor must provide, communicate, and advocate for or against licensure of participants during regular MS Board of Pharmacy meetings and as needed. This attendance shall be in person. Advocacy must be based on established and tracked metrics.
- K. Referrals for mental health or fitness to practice including providing the Board guidance on the physical or mental capacity of a licensee to participate in the practice of pharmacy or assist in the practice of pharmacy with reasonable skills, confidence and safety to the public.
- L. Must maintain competency in the best practices of substance use disorder and mental health management, including dual diagnosis, and serve as a resource to the Board and Board staff in these areas.
- M. Collaborate with Board staff to provide educational programs concerning substance use disorder, benefits of self-reporting, and mental health wellness to identified stakeholders including but not limited to schools of pharmacy, targeted professional groups, and employers.
- N. The Board reserves the right to audit all records maintained by the contractor or its subcontractor's relative to the contractor's performance under this Contract. At least two (2) business days' notice by the Board will be given to the contractor of the intent to audit. The Board shall have the right to perform financial, performance, and other special audits on such records maintained by the contractor during regular business hours throughout the contract period. The contractor agrees that confidential information including, but not limited to, medical and other pertinent information relative to this contract, shall not be disclosed to any person or organization for any purpose without the expressed, written authority from the Board. The selected contractor will make available all records for review at no cost to the Board. Indicate your acceptance of this Proposals requirement and

willingness to cooperate. For the purposes of this section, the term "audits" refers to financial, performance, and other special audits on such records maintained by the contractor and/or its subcontractors relative to the contractor's performance under this Contract. Confirm you will comply with this requirement.

#### **SECTION 3. REFERENCES**

It is a requirement for the Offeror to provide the following references as part of the Proposals. Failure to do so will result in disqualification of the Proposals submitted. References provided by the company must be familiar with the Offeror's abilities in the areas involved with this solicitation. Board staff will use these references to determine the Offeror's ability to perform the services. It is the responsibility of the Offeror to ensure that the reference contact information is correct and current. Board staff will not track down references. Offerors should verify before submitting their Proposals that the contact information provided is correct for each reference. Client references that cannot be contacted for verification will not be considered. The determination of the length of time an Offeror has provided these services will be based upon the initial date the Offeror established a contractual relationship to provide such services.

For each client provided pursuant to Subsections A-C please specify:

- 1) Client contact information, including the name, title, address, email address, and phone number of a person whom we may contact to confirm as needed,
- 2) The specific type of work your company provided to the client,
- 3) Contract effective dates (beginning and end dates) for the time period(s) your company provided services to the client.

If two or more of the following reference requirements are met by the same client, list additional clients so there are at least three (3) clients listed for each section. If you are unable to provide three (3) clients for each reference, provide as many as you have and indicate in the response additional references meeting this requirement are not available.

- A. List up to three clients for whom your company has provided services similar to those requested in this RFP. For each client, specify the type of recovery program services provided by your client, the average number of individual participating in the program, and the period of time retained as a client. For each client, the list must specify:
  - 1) Client name, include the name, title, address, e-mail address, and phone number of a person whom we may contact to confirm as needed,
  - 2) The type of work your company provided to the client,
  - 3) Contract effective dates for the time period(s) (beginning and end dates) your company provided services to the client.
- B. List up to three governmental clients for whom your company has provided one or more of the services requested in this RFP. If possible, please list three additional clients besides any previously listed references. For each client, specify the type of work performed by your company, the average number of individuals participating in the program, and the period of time retained as a client. For each client, the list must specify:
  - 1) Client name, include the name, title, address, e-mail address, and phone number of a person whom we may contact to confirm as needed,
  - 2) The type of work your company provided to the client,
  - 3) Contract effective dates for the time period(s) (beginning and end dates) your company provided services to the client.

- C. List all clients that have discontinued use of your services since January 1, 2018 and your understanding of their discontinued use of your services. For each client, the list must specify:
  - 1) Client name, include the name, title, address, e-mail address, and phone number of a person whom we may contact to confirm as needed,
  - 2) The type of work your company provided to the client,
  - 3) Contract effective dates for the time period(s) (beginning and end dates) your company provided services to the client,
  - 4) Reason discontinued.

## SECTION 4. STATEMENT OF COMPLIANCE AND EXCEPTION(S) FORM

If an Offeror objects to any terms, conditions, or requirements listed in the Board's Invitation for Proposals for Pharmacy Professionals Recovery Program Services, dated August 8, 2025, including all RFP attachments and amendments, the Offeror must list and explain the exceptions taken. If no exceptions are taken, then the Offeror shall state on the form "No Exceptions Taken." Failure to indicate any exception will be interpreted as the Offeror's intent to comply fully with the requirements as written. Failure to complete and/or sign may result in Offeror being determined nonresponsive. Please carefully review the information located in RFP Section 4, Statement of Compliance and Exception(s) Form, and include a copy signed by an officer, principal, or owner of your company with your completed Proposals. Failure to submit a signed Statement of Compliance and Exception(s) form may result in your Proposals being eliminated from further consideration. If you object to any of the terms and conditions included in the Draft Pharmacy Professionals Recovery Program Services Contract (refer to RFP Appendix A), or any requirements listed in this RFP, please note and explain your objection(s) on the Statement of Compliance and Exception(s) form. Clauses in blue type in the Draft Contract are deemed mandatory and are nonnegotiable.

Conditional or qualified Proposals, unless specifically allowed, shall be subject to rejection in whole or in part. The Proposals must contain a high degree of acceptance of contract terms and conditions listed in the draft contract provided as **Appendix A** of this RFP. Refer to **RFP Section 9.7.** 

A Proposals response that includes terms and conditions that do not conform to the terms and conditions in the RFP and draft contract is subject to rejection as non-responsive. The Board reserves the right to permit the Offeror to withdraw nonconforming terms and conditions from its Proposals response prior to a determination by the Board of non-responsiveness based on the submission of nonconforming terms and conditions. As a precondition to Proposals acceptance, the Board may request the Offeror to withdraw or modify those portions of the Proposals deemed non-responsive that do not affect quality, quantity, price, or delivery of the service.

## Statement of Compliance and Exception(s) Form

Offeror taking exception to any part or section of the solicitation shall indicate such exceptions on the table below. If no exceptions are taken, then the Offeror shall state in this section "No Exceptions Taken." Failure to indicate any exception will be interpreted as the Offeror's intent to comply fully with the requirements as written. Conditional or qualified Proposals, unless specifically allowed, shall be subject to rejection in whole or in part.

We agree to adhere to all terms, conditions, and requirements as set forth in the Mississippi Board of Pharmacy Invitation for Proposals for Pharmacy Professionals Recover Program Services, dated August 8, 2025, including all RFP amendments, and the conditions contained in the draft contract included as RFP Appendix A, Draft Pharmacy Professionals Recovery Program Services Contract, except as listed below:

#### **SECTION 5. GENERAL QUESTIONNAIRE**

Failure to answer the following general questionnaire completely will result in Offeror being determined nonresponsive. In preparing your written response to the narrative questionnaire below, you are required to repeat each question, including the number, or requirement followed by your response. Please provide complete answers and explain all issues in a concise, direct manner. If you cannot provide a direct response for some reason (e.g., your company does not collect or furnish certain information), please indicate the reason rather than providing general information that fails to answer the question. "Will discuss" and "will consider" are not appropriate answers.

- **5.1** Provide the name, title, mailing address, e-mail address, and telephone number of the contact person for this Proposals.
- **5.2** State the full name of your firm/company, and provide the address, and telephone number of your principal place of business.
- **5.3** List the office that will service the Board. If it is located at a different address than the home office, provide the complete address, phone number, and facsimile number for this office.
- **5.4** Describe your organizational structure. Indicate whether your firm operates as a corporation, partnership, individual, etc. If it is incorporated, include the state in which it is incorporated, and list the names and occupations of those individuals serving on your firm's Board of Directors.
- **5.5** Describe your organizations qualifications demonstrating work with healthcare professionals over the last five (5) years.
- **5.6** List the types and number of health care professionals and the numbers served in the last five (5) years.
- **5.7** Describe any ownership or name changes your firm has been through in the past three years. Are any ownership or name changes planned?
- **5.8** Please provide all information regarding the liability insurance that is held for the organization.
- **5.9** Provide a brief description of any outside Contractors or subcontractors that will be involved in providing key services detailed within your Proposals. Please include the term of your current contract with each Contractor or subcontractor. Describe the nature of the relationship with the subcontractor, including any ownership interest.
- **5.10** Describe your policy and procedure for obtaining and handling records. Description should include but should not be limited to access, storage, and destruction.
- **5.11** Describe the process utilized for informed consent of a participant in the Program.
- **5.12** Describe your Quality Assurance and Quality Improvement principles and related structure.

- **5.13** Has your firm had any HIPAA breaches or incidents determined to be reportable to the U.S. Department of Health and Human Services (DHHS) within the last three years? If the answer is yes, please describe the circumstances and the corrective action in detail.
- **5.14** Is your firm licensed or authorized to provide the proposed services in the State of Mississippi?
- **5.15** Confirm the Proposal is valid for one (1) year after the date of submission.

#### **SECTION 6. TECHNICAL QUESTIONNAIRE**

Failure to answer the following questionnaire completely will result in Offeror being determined nonresponsive. In preparing your written response to the narrative questionnaire below, you are required to repeat each question, including the number, or requirement followed by your response. Please provide complete answers and explain all issues in a concise, direct manner. If you cannot provide a direct response for some reason (e.g., your company does not collect or furnish certain information), please indicate the reason rather than providing general information that fails to answer the question. "Will discuss" and "will consider" are not appropriate answers.

Experience in the administration of recovery network monitoring programs for healthcare professionals is required for all bidders. Describe in detail your knowledge and experience in providing peer assistance recovery services to include:

- **6.1** Describe the team dedicated to providing the requested scope of services for the Board. Specifically,
  - A. Identify the dedicated individual who will serve as the primary contact for the Board along with a list of job duties and experience with other programs with services requested in this RFP. Include a resume(s) as an appendix to your Proposals in Section 9. Include any licenses and training if a health care professional.
  - B. Provide the name(s) and resumes of all key personnel who will oversee and provide the services rendered to the Board, a brief statement of all duties each individual will be assigned, a brief statement as to why each person is qualified relative to this work and identify area(s) of expertise for each key person, detailed information on any special training or designation, and each person's respective total number of years of experience related to the services being requested in this RFP. Include all resumes as an appendix to your Proposals in Section 9. Include any licenses and training for all health care professionals.
- **6.2** Describe the history, program philosophy, number of years in service, and accomplishments of your organization in managing healthcare professionals whose ability to safely practice is or may be impaired because of alcohol use, substance use/and or mental illness.
- **6.3** Provide a list and description of all tools used to provide monitoring and compliance of program participants. The list should include examples such as individual and aggregate reports related to meeting participation, drug testing, relapse indicators, etc. Include whether these tools provide date and time stamping and how they have been validated. Please describe how program participants interact with these tools.
- **6.4** The Board must have prompt and direct access to the Offeror throughout the contract period. Describe in detail how your company will provide this access.
- **6.5** Describe how the organization will facilitate the use of support groups (in person and online). Support groups shall have a foundation in the 12-step program.
- **6.6** Describe your organization's confidentiality standards.

- **6.7** Describe any liaison work with public entities and other states and how your organization maintains awareness and competence in best practices.
- **6.8** Provide key performance indicators that reflect your ability to monitor health care professionals.
- **6.9** Describe the frequency of individual meetings with program participants. Please include any anticipated changes as participants progress in the program.
- **6.10** Describe the structure of your administrative and/or case management review committee.
- **6.11** Provide details of your internal review process for participant disagreements or grievances.
- **6.12**. Provide a de-identified example of advocacy conducted in support of a program member regaining licensure. (ie. De-identified hearing transcript, letter of support, etc.)
- **6.13** Provide copies of all applicable program forms used for member management and education (e.g. consent to treat, release of information, intake forms, treatment center-related documents, participant handbook, medication use and reporting guidelines)

#### **SECTION 7. FEE SCHEDULE**

The Fee Schedule must be submitted as described herein. Modification or addition to any portion of the Fee Schedule may be cause for rejection of the Proposals. The fees quoted shall be inclusive of, but not limited to the following: all required labor; all required equipment/material; all required insurance, bond, or other surety; all required overhead/profit; all required applicable taxes; all required vehicles; all required fuel and mileage; all required travel; all required labor and supervision; all required training; all required business and professional certifications, licenses, permits, or fees; and, any and all other direct or indirect costs, incurred or to be incurred. All pricing shall include all associated costs with no additional or hidden fees. All expenses shall be inclusive. The fees quoted shall constitute the entire compensation due to the Offeror for services rendered by each staff member. Pricing must be firm, flat dollar amounts, as percentage of other variable amounts will not be accepted. The Offeror shall also include a **total cost** for full performance of all services requested in the RFP.

The Fee Schedule shall be submitted as Section 7 of the Proposals and outline as below:

## Direct Payment from MS Board of Pharmacy:

	Total Amount	<b>Monthly Amount</b>
December 1, 2025 to June 30, 2026	<b>\$</b>	\$
July 1, 2026 to June, 30, 2027	\$	\$
July 1, 2027 to June 30, 2028	\$	\$
July 1, 2028 to June, 30, 2029	\$	\$
Optional Renewal:		
July 1, 2029 to June 30, 2030	\$	\$
Total Contract Amount	\$	

Any Costs expected from Program Participants (do not include lab testing fees):

Pharmacist:	Monthly Fee
Technicians:	Monthly Fee
Students:	Monthly Fee

The pricing quoted above shall constitute the entire compensation due to the selected Offeror for services performed by its staff and all of the selected Offeror's obligations here under regardless of the difficulty, materials, or equipment required. No additional compensation will be provided by the Board for any expense, cost, or fee not specifically authorized by the resulting contract. The Board shall not provide any prepayments or initial deposits in advance of services being rendered. Fees for services provided by the selected Offeror shall be billable to the Board in monthly installments, in arrears, upon completion of services for each month of services delivered pursuant to the Contract.

Only those services agreed to by contract shall be considered for reimbursement/compensation by the Board. Payment for any and all services provided by the selected Offeror to the Board shall be

made only after said services have been duly performed and properly invoiced. The fees listed above are firm for the duration of resulting contract and are not subject to escalation for any reason unless resulting contract is duly amended.

The selected Offeror shall submit all invoices in a form acceptable to the Board with all of the necessary supporting documentation prior to the payment of allowable costs. Such invoices will, at a minimum, include the appropriate descriptions of the services being billed or other bases for charges included in RFP Section 7, Fee Schedule. Details will be determined during contract negotiations.

**Section 3** – References

**Section 4** – Signed Statement of Compliance and Exception(s) Form

**Section 5** – General Questionnaire

Section 6 – Technical Questionnaire

**Section 7** – Fee Schedule

Section 8 - Signed Acknowledgement

**Section 9** – Résumés for Key Staff: Provide a complete résumé of key Offeror staff who will be assigned to render services to the Board, including detailed information on any special training or designations and each person's respective total number of years of experience related to the services being requested in this RFP.

Section 10 – Any Additional Information Not Specifically Requested: If you have additional information you would like to provide, include it as Section 10 of your Proposals. It is the Offeror's sole responsibility to submit information relative to the evaluation of its Proposals and the Board is under no obligation to solicit such information if it is not included in the Proposals.

- B. Each page of the Proposals should be numbered. Multiple page attachments and samples should be numbered internally within each document, and not necessarily numbered in the overall page number sequence of the entire Proposals. The intent of this requirement is for the Offeror to submit all information in a manner that is clearly referenced and easily located.
- **8.8** Any Offeror claiming that its response contains information exempt from the Mississippi Public Records Act (Mississippi Code Annotated §§ 25-61-1 et seq. and 79-23-1), shall segregate and mark the information as confidential and provide the specific statutory authority for the exemption. If the Proposals contains confidential information, one (1) redacted electronic copy of the complete Proposals including all attachments shall be submitted in a searchable Microsoft Office® format, preferably in Word ® or PDF®.
  - A. If a redacted copy is not submitted, the Board shall consider the entire Proposals to be public record. The redacted copy should identify which section or information has been redacted and the Offeror shall provide the specific statutory authority for the exemption. Per Mississippi Code Annotated § 25-61-9(7), the type of service to be provided, the price to be paid, and the term of the Contract cannot be deemed confidential.
  - B. The redacted copy shall be considered public record and immediately released, without notification to the Offeror, pursuant to any request under the Mississippi Public Records Act, Mississippi Code Annotated §§ 25-61-1 et seq. and 79-23-1. Redacted copies shall also be used/released for any reason deemed necessary by the Board, including but not limited to, submission to the PPRB, posting to the Transparency Mississippi website, etc.
  - C. In accordance with *PPRB OPSCR Rules and Regulations Section 1-301*, "Any party seeking a protective order on a procurement contract awarded by state agencies shall give notice to and provide the reasons for the protective order to the party requesting the information in accordance with the Mississippi Rules of Civil Procedure. The notice and reasons for the protective order must also be posted on the Mississippi Procurement Portal for a minimum of seven (7) days before filing the petition seeking the protective order in a chancery court. Any party seeking a protective order in violation of this subsection may be barred by a state agency from submitting Proposals, Proposals or qualifications for state procurements for a period not to exceed five (5) years." Any records requested through a public records request shall be released no later than twenty-one (21) days from the date the third parties are given notice by the public body unless the third parties have followed the notification requirements and also filed in chancery court a petition seeking a protective order on or before the expiration of the twenty-one (21) daytime period.
- **8.9** All documentation submitted in response to this RFP and any additional information submitted in response to subsequent requests for information pertaining to this RFP shall become the property of the Board and will not be returned to the Offeror.
- **8.10** All information requested is considered important. Failure to provide all requested information and in the required format may result in disqualification of the Proposals. The Board

has no obligation to locate or acknowledge any information in the Proposals that is not presented under the appropriate outline and in the proper location according to the instructions herein.

**8.11** If determined that the Offeror has altered any language in the original RFP, the Board may, at its sole discretion, disqualify the Offeror from further consideration. The RFP issued by the Board is the official version and will supersede any conflicting language subsequently submitted in Proposals.

# 8.13 Contact, Questions/Request for Clarification, and Acknowledgement of Responses/RFP Amendments

A. Offerors must carefully review this solicitation, the Contract, risk management provisions, and all attachments for defects, questionable, or objectionable material. Following review, Offerors may have questions to clarify or interpret the RFP to submit the best Proposals possible. To accommodate the questions and requests for clarifications, Offerors shall submit any such question via email by the deadline reflected in RFP Section 9.2. All questions and requests for clarifications must be directed by email to:

Todd Dear, Associate Director Email: TDear@mbp.ms.gov

B. Offerors should enter "RFP Pharmacy Professionals Recovery Program Services - Questions" as the subject for the email. Question submittals should include a reference to

the applicable RFP section and be submitted in the format shown below:

	RFP Section, Page Number	Offeror Question/Request for Clarification
1.		

C. Official responses will be provided only for questions submitted as described above and only to clarify information already included in the RFP. The identity of the organization

- submitting the question(s) will not be revealed. All questions and answers will be published on The Buying and Selling to Government in Mississippi website and the Board's website as an amendment to the RFP by the date and time reflected in RFP Section 8.2.
- D. Offerors shall acknowledge receipt of any amendment to the RFP in writing. The acknowledgement shall be submitted to Todd Dear, Associate Director, via email <a href="mailto:TDear@mbp.ms.gov">TDear@mbp.ms.gov</a> Each Offeror shall submit a written acknowledgement of every amendment to the Board on or before the submission deadline.
- E. The Board will not be bound by any verbal or written information that is not contained within this RFP unless formally noticed and issued by the contact person as an RFP amendment. Offerors are cautioned that any statements made by Board personnel that materially change any portion of the Proposals document shall not be relied upon unless subsequently ratified by a formal written amendment to the Proposals document.
- F. All Offeror communications regarding this RFP must be directed to Todd Dear, Associate Director. Unauthorized contact regarding the RFP with other employees of the Board may result in the Offeror being disqualified, and the Offeror may also be suspended, disbarred, or removed from consideration for award of contracts with the State of Mississippi for a period of two (2) years. At no time shall any Offeror or its personnel contact, or attempt to contact, any Board staff regarding this RFP except the contact person as set forth and, in the manner, prescribed herein.
- G. No pre-Proposals conference will be held for this RFP.
- H. The Board reserves the right to amend this RFP at any time. Should an amendment to the RFP be issued, it will be posted on The Buying and Selling to Government in Mississippi website and also the Board's website under the heading at "MBP Proposals Announcements" at <a href="https://www.mbp.ms.gov/news">https://www.mbp.ms.gov/news</a> in a manner that all Offerors will be able to view. Offerors must acknowledge receipt of any amendment to the solicitation by signing and returning the amendment with the Proposals package, by identifying the amendment number and date in the space provided for this purpose on the RFP amendment, or by letter. The acknowledgment should be received by the Board by the time, date, and at the place specified for receipt of Proposals. It is the Offeror's sole responsibility to monitor The Buying and Selling to Government in Mississippi website and the Board's website for any updates or amendments to the RFP. Questions and Answer document(s), if any are issued/posted on The Buying and Selling to Government in Mississippi website and the Board's website, must be treated the same as an RFP Amendment, meaning they will require acknowledgement.
- I. The RFP is comprised of the base RFP document, any attachments, any amendments issued prior to the submission deadline, and any other documents released before contract award.

#### 8.14 Corrections and Clarifications

The Board reserves the right to request clarifications or corrections to Proposals. Any Proposals received which does not meet any of the requirements of this RFP, including clarification or correction requests, may be considered non-responsive and eliminated from further consideration.

## 8.15 Modification, Withdrawal, or Rejection of a Proposals

A. Modifications or additions to any portion of the procurement document may be cause

for rejection of the Proposals. The Board reserves the right to decide, on a case-by-case basis, whether to reject a Proposals with modifications or additions as non-responsive. As a precondition to Proposals acceptance, The Board may request the Offeror to withdraw or modify those portions of the Proposals deemed non-responsive that do not affect quality, quantity, price, or delivery of the service. The RFP issued by the Board is the official version and will supersede any conflicting RFP language subsequently submitted in Proposals.

- B. An Offeror may withdraw a submitted Proposals by submitting a written notification for its withdrawal to the Board, signed by the Offeror, and emailed, or mailed to the addresses provided within RFP Section 8.1 prior to the time and date set for Proposals opening. The Board shall not accept any amendments, revisions, or alterations to Proposals after the due date unless requested by the Board. Late Proposals shall not be considered for award and the Offeror shall be notified as soon as practicable.
- C. If the price proposed/offered is substantially lower than those of other Offerors, a mistake may have been made. An Offeror may withdraw its Proposal from consideration if certain conditions are met:
  - 1) The Proposal is submitted in good faith;
  - 2) The price proposed/offered is substantially lower than those of other Offerors because of a mistake;
  - 3) The mistake is a clerical error, not an error of judgment; and,
  - 4) Objective evidence drawn from original work papers, documents, and other materials used in the preparation of the Proposal demonstrates clearly that the mistake was an unintentional error in arithmetic or an unintentional omission of a quantity of labor or material.
- D. To withdraw a Proposal that includes a clerical error after Proposal's opening, the Offeror must give notice in writing to the Board of claim of right to withdraw a Proposal. Within two (2) business days after the Proposal's opening, the Offeror requesting withdrawal must provide to the Board all original work papers, documents, and other materials used in the preparation of the Proposal.
- E. An Offeror may also withdraw a Proposal, prior to the time set for the opening of Proposal, by simply making a request in writing to the Board. No explanation is required.
- F. No Offeror who is permitted to withdraw a Proposal shall, for compensation, supply any material or labor to or perform any subcontract or other work for the person to whom the Contract is awarded, or otherwise benefit from the Contract.
- G. No partial withdrawals of a Proposal is permitted after the time and date set for the Proposal's opening; only complete withdrawals are permitted.
- H. A Proposal that includes terms and conditions that do not conform to the terms and conditions in the RFP document is subject to rejection as non-responsive. Further, submission of a Proposal that is not complete and/or signed is subject to rejection as non-responsive. The Board reserves the right to permit the Offeror to withdraw nonconforming terms and conditions from its Proposal prior to a determination by the Board staff of non-responsiveness based on the submission of nonconforming terms and conditions.

## 8.16 Right to Consider Historical Information

The Board reserves the right to consider historical information regarding the Offeror, whether gained from the Offeror's Proposal, conferences with the Offeror, references, or any other source during the evaluation process. This may include, but is not limited to, information from any state or federal regulatory entity.

#### 8.17 Right to Reject, Cancel and/or Issue Another RFP

The Board specifically reserves the right to reject any or all Proposals received in response to the RFP, cancel the RFP in its entirety, or issue another RFP.

#### 8.18 Availability of Funds

It is expressly understood and agreed that the obligation of Board to proceed under this agreement is conditioned upon the appropriation of funds by the Mississippi State Legislature and the receipt the appropriated funds. If the funds anticipated for the continuing time fulfillment of the agreement are, at any time, not forthcoming or insufficient, regardless of the source of funding, Board shall have the right upon 10 business days written notice to Contractor, to terminate this agreement without damage, penalty, cost or expense to the Board of any kind whatsoever. The effective date of termination shall be as specified in the notice of termination.

#### 8.19 Cost of Proposals Preparation

All costs incurred by the Offeror in preparing and delivering its Proposal, making presentations, and any subsequent time and travel to meet with the Board regarding its Proposal shall be borne exclusively by the Offeror.

#### 8.20 Registration with Mississippi Secretary of State

By submitting a Proposal, the Offeror certifies that it is registered to do business in the State of Mississippi as prescribed by Mississippi law and the Mississippi Secretary of State or, if not already registered, that it will do so within seven (7) business days of being notified by the Board that it has been selected for contract award. Sole proprietors are not required to register with the Mississippi Secretary of State.

#### 8.21 Offeror Investigations and Certifications

- A. Before submitting a Proposal, each Offeror shall make all investigations and examinations necessary to ascertain all site conditions and requirements affecting the full performance of the Contract and to verify any representations made by the Board upon which the Offeror will rely. If the Offeror receives an award because of its Proposals submission, failure to have made such investigations and examinations will in no way relieve the Offeror from its obligation to comply in every detail with all provisions and requirements of the Contract documents, nor will a plea of ignorance of such conditions and requirements be accepted as a basis for any claim whatsoever for additional compensation.
- B. By submitting a Proposal, the Offeror certifies the following:
  - 1) That he/she has thoroughly read and understands the RFP and all attachments thereto;

- 2) That the company meets all requirements and acknowledges all certifications contained in the RFP and attachments thereto:
- 3) That it is not currently debarred from submitting Proposals for contracts issued by any political subdivision or agency of the State of Mississippi and that it is not an agent of a person or entity that is currently debarred from submitting Proposals for contracts issued by any political subdivision or agency of the State of Mississippi;
- 4) That the prices submitted in response to the solicitation have been arrived at independently and without, for the purpose of restricting competition, any consultation, communication, or agreement with any other Offeror or competitor relating to those prices, the intention to submit a Proposal, or the methods or factors used to calculate the prices proposed/offered; and,
- 5) That such Offeror has not retained any person or agency on a percentage, commission, or other contingent arrangement to secure this Contract.
- C. The Offeror agrees that submission of a signed Proposal, fee schedule and deliverable date forms is certification that the Offeror will accept an award made to it because of the submission. Under no circumstances, shall the maximum time for Proposal acceptance by the State extend beyond one (1) year from the date of opening.

#### 8.22 Contract and Property Rights

Contract rights do not vest in any party until a contract is legally executed. The Board is under no obligation to award a contract following issuance of this solicitation.

Property rights do not inure to any Offeror until such time as services have been provided under a legally executed contract. No party responding to this RFP has a legitimate claim of entitlement to be awarded a contract or to the provision of work thereunder. The Board is under no obligation to award a contract and may terminate a legally executed contract at any time.

#### 8.23 Minor Informalities and Irregularities

The Board has the right to waive minor defects or variations of a proposal from the exact requirements of the specifications that do not affect the price, quality, quantity, delivery, or performance of the services being procured and if doing so does not create an unfair advantage for any Offeror. If insufficient information is submitted by a Offeror for the Board to properly evaluate the offer, the Board has the right to require such additional information as it may deem necessary after the submission deadline, provided that the information requested does not change the price, quality, quantity, delivery, or performance time of the services being procured and such a request does not create an unfair advantage for any Offeror.

#### 8.24 Request for Reconsideration of the Terms of the Solicitation

Any actual or prospective vendor who is aggrieved in connection with this solicitation or the outcome of this RFP may file a request for reconsideration to Todd Dear, Associate Director of the Board, and the MDFA Director of OPSCR. It shall be the sole responsibility of the requesting vendor to ensure the request is timely received by all required parties. Failure to timely request reconsideration in compliance shall result in waiver of any claim a vendor may have. If requesting

reconsideration of the terms of the solicitation, the request shall be submitted within three (3) business days following the date of public notice as defined in PPRB OPSCR Rules & Regulations Section 6.5.1. The request shall contain the requesting vendor's name, a single contact person, all contact information for the contact person, the RFx number of the solicitation, the date the RFP was issued, and an explanation of the specific basis for the request, including the identification of which of these rules and regulations the requesting offeror believes were violated by the solicitation, as written. The request may not be based on anything other than the solicitation document and the Rules and Regulations of the Office of Personal Service Contract in effect at the time of the issuance of this RFP.

#### SECTION 9. PROPOSALS EVALUATION AND AWARD

**9.1** All Proposals received in response to this RFP by the stated deadline will receive a comprehensive, fair, and impartial evaluation. A formal scoring methodology comprised of two phases – compliance, analysis – will be utilized, with each Proposal required to pass the previous phase to qualify for further evaluation in the next phase. The Board, at its discretion, may require a finalist phase during which a presentation will be made by Offerors reaching such phase. The Board will use an evaluation committee to review and evaluate the Proposals using a 100-point scale as well as consensus scoring. Consensus scoring involves a solidarity or general agreement of opinion among evaluators, based on information and data contained in the RFP Proposals. The evaluation of any Proposals may be suspended and/or terminated at the Board's discretion at any point during the evaluation process at which time the Board determines that said Proposals and/or Offeror fails to meet any of the mandatory requirements as stated in this RFP, the Proposal is determined to contain fatal deficiencies to the extent that the likelihood of selection for contract negotiations is minimal, or the Board receives reliable information that would make contracting with the Offeror impractical or otherwise not in the best interests of the Board and/or the State of Mississippi.

#### 9.2 Evaluation Process

- A. Compliance Phase In this initial phase of the evaluation process, all Proposals received are reviewed by the Board's Associate Director and/or designee to determine if mandatory RFP requirements have been satisfied, meaning whether a Proposals/Offeror is responsive, responsible, and/or acceptable. Compliance requirements are not assigned a point percentage or score but are simply recorded as Pass or Fail.
  - 1) Every statement containing "must," "shall," "will," etc., is a mandatory requirement. Failure to respond leads to mandatory Proposals disqualification. Such mandatory requirements are to be clear and (preferably) standing alone.
  - 2) Every statement containing "may," "can," "should," etc., is a desirable requirement. Offerors may ignore these if they wish. The only penalty for doing so is a possible loss of scoring points if the requirement has scoring points tied to it.
  - 3) A Pass score is assigned to each factor for which the response to the question(s) defined is "Yes." If any factor receives a Fail score or for some reason cannot be evaluated, an explanation of the problem or concern and the corresponding question must be evaluated and made part of the record, to include any allowable waivers.
  - 4) Proposals with errors that do not alter the substance of the Proposals can be accepted, and the Board Associate Director may allow the Offeror to correct the problem prior to review if the irregularities are insignificant mistakes that can be waived or corrected without prejudice to other Offerors. The Board has the right to waive minor defects or variations of a Proposals from the exact requirements of the specifications that do not affect the price, quality, quantity, delivery, or performance time of the services being procured. If insufficient information is submitted by an Offeror with the Proposals for the Board to properly evaluate the Proposals, the Board has the right to require such additional information as it may deem necessary after the time set for receipt of Proposals, provided that the information requested does not change the price, quality, quantity, delivery, or performance time of the services being procured. Discussions may be conducted with Offerors who submit Proposals determined to be reasonably

susceptible of being selected for the award, but Proposals may also be accepted without such discussions. If any component received a Fail score (a "No" response) on any item or contains an item which for some reason cannot be evaluated, it shall be deemed as non-responsive and/or non-responsible. Failure to comply with these RFP requirements may result in the Proposals being eliminated from further consideration. All Proposals which are determined to be responsive, responsible, and/or acceptable will continue to next phase.

- B. Analysis Phase In this phase of the evaluation process, the evaluation committee will utilize consensus scoring to determine numerical scores for each Proposals. The evaluation factors are listed in order of their relative importance and weight:
  - 1) Cost (40%)
  - 2) Management (25%)
  - 3) Technical (25%)
  - 4) Quality Improvement and Governance (10%)

Eligible proposals will be ranked per these evaluation criteria. Award will be based on the overall evaluation score.

- C. Finalist Phase Upon completion of the Analysis Phase, the Board reserves the right to conduct a finalist phase. At the Board's discretion, all finalists may be required to make a presentation to the evaluation committee. If scheduled, individual finalist presentations shall be held either in Jackson, Mississippi, or virtually, to allow the evaluation committee the opportunity to conduct technical interviews of the finalists, and to confirm/clarify information provided in the submitted Proposals or otherwise gathered during the evaluation process. Any substantial oral clarification shall be reduced to writing by the Offeror. The Board will provide at least five (5) days advance notice to the impacted Offerors. Due to the constraints of the RFP timeline and the relative importance of presentations and site visits in the evaluation process, interested Offerors are encouraged to be prepared to accommodate this schedule.
- **9.3** Upon completion of the evaluation of Proposals, the evaluation committee will determine the top scoring Proposals and provide a recommendation to the Board. The Board will decide as to the Proposals deemed most advantageous to the Board and will authorize the issuance of (an) intent to award the contract(s) to the selected Offeror(s) and authorize contract negotiations with selected Offeror(s). After such authorization by the Board, all participating Offerors will be notified in writing of the contract award(s) and will be afforded the opportunity to participate in a post-award debriefing.
- **9.4** The Board intends to award one contract to provide the services described within this RFP to a responsible and responsive Offeror whose Proposals is determined in writing to be the most advantageous to the State taking into consideration the price and the evaluation factors set forth in this RFP. No other factors or criteria shall be used in the evaluation. Award for this procurement will be posted on the Board's website under the heading "MBP Proposals Announcements" at <a href="https://www.mbp.ms.gov/news">https://www.mbp.ms.gov/news</a>. Offerors will be notified via email of the awards.
- **9.5** The Board reserves the right to further clarify and/or negotiate with selected Offeror(s) evaluated best following completion of the evaluation of Proposals but prior to contract execution if deemed necessary. The Board reserves the right to further clarify and/or negotiate with selected

Offeror(s) on any matter submitted to facilitate arriving at contract(s). The Board also reserves the right to move to the next best Offeror if negotiations do not lead to executed contract(s) with the best Offeror(s).

#### 9.6 Request for Reconsideration of the Intent to Award

If requesting reconsideration of the intent to award, the request shall be submitted within seven (7) calendar days of the Notice of Intent to Award and posting of the Board's Procurement File, in writing after such aggrieved person or entity knows or should have known of the facts giving rise thereto. The request shall contain the requesting Offeror's name, a single contact person, all contact information for the contact person, the RFx number of the solicitation, the date the RFP was issued, the date the Notice of Intent to Award was issued, and an explanation of the specific basis for the request, including the identification of which of these rules and regulations and/or the terms of the RFP the requesting Offeror believes were violated by the Board during the evaluation process, explain the factual basis for the alleged violation(s), and specify how the alleged violation(s) affected the outcome of the procurement. The request shall not be based on anything other than the Board Procurement File, these rules and regulations, and the terms of the RFP. If the requesting Offeror believes the Board Procurement File posted on the Board website is incomplete (i.e., does not contain a document or documents required by these rules and regulations), the requesting Offeror shall so state in the request and shall specify what it believes to be missing. Should the requesting Offeror believe the trade secrets and/or confidential commercial or financial information which were redacted from the Board Procurement File posted on the Board website contain issues related to its request, the requesting Offeror shall state those concerns in the request – even if speculative – in a manner which is specific enough for the Board to provide a response.

All requests must be in writing, dated, signed by the Offeror or an individual authorized to sign contracts on behalf of the requesting Offeror. Exhibits shall not be included with the request. The request shall not be supplemented. Reference to documents outside of or facts not supported by the Board Procurement File or the RFP shall not be considered by the Board when responding to the request.

#### 9.7 Required Contract Terms and Conditions

A draft contract has been included as Appendix A to this RFP for your review and comment. Any contract entered into with the Board pursuant to this RFP shall have the clauses in blue font as these are required pursuant to the PPRB OPSCR Rules and Regulations as updated and replaced by PPRB. These required clauses are mandatory and are non-negotiable. The Board discourages exceptions from the draft contract content, regardless of content being required or not. Such exceptions may cause a Proposals to be rejected as non-responsive. Proposals which condition the Proposals based upon the State accepting other terms and conditions not found in the RFP, or which take exception to the State's terms and conditions, may be found non-responsive, and no further consideration of the Proposals will be given.

# **Appendix A**Contractor Services Contract

#### PHARMACY PROFESSIONALS RECOVERY PROGRAM SERVICES CONTRACT

This Pharmacy Professionals Recovery Program Services Contract (Contract) is made by and between the Mississippi Board of Pharmacy (Board) and [Insert Company Name] (Contractor), effective December 1, 2025, under the following terms and conditions under which the Contractor agrees to provide a Pharmacy Professionals Recovery Program ("Program") for impaired pharmacists, pharmacy students and pharmacy technicians licensed or registered with the Board.

#### 1. Scope of Services

The Contractor shall provide a recovery program for pharmacists, pharmacy students and pharmacy technicians licensed or registered with the Board, which shall align with the Board's goal to protect the public while encouraging and supporting the wellbeing of pharmacists, pharmacy students and pharmacy technicians from the diseases of substance abuse disorder, mental or physical illness that may impact a licensee's ability to practice with reasonable skills, confidence, and safety to the public.

The Contractor will provide all services and otherwise do all things necessary for or incidental to the performance of work, as set forth below:

#### **Program Services**

- A. The Contractor must be capable of receiving referrals of licensees and coordinating appropriate communication at any time.
- B. The contractor must develop and maintain a referral list of treatment providers approved to provide assessments and treatment for inpatient and intensive outpatient care and aftercare. Assessments must be performed by qualified evaluators using recognized methodologies, including, but not limited to, screening instruments, psychosocial testing, results of mental health/drug and alcohol history, and personal interviews.
- C. The contractor must administer an individualized treatment plan created by an approved treatment program. Case management must be administered by a qualified resource or resources. The resource(s) may be dedicated or shared.
- D. The contractor must use the intake assessment and recommendations from treatment providers and determine the elements for continuous monitoring for each participant, including:
  - 1) Required participation in treatment to include inpatient, intensive outpatient, outpatient, recommended aftercare, support groups, and one-on-one counseling. The ability to track recovery activities in real time through mobile technology applications and on paper forms.
  - 2) Recovery-related activities, with validation reports from the participants' employers, work-site monitors, counselors, sponsors, and others.
  - 3) Random drug testing incorporating alternative specimens, including hair test, Peth testing, nail, and oral fluid testing, performed by a laboratory that has the

- appropriate national certification for the performed testing. Testing fees are paid directly to the performing laboratory.
- 4) Contractor must have routine individual meetings with the participant and coordinate framework for peer-to-peer support (ie. Pharmacist to Pharmacist).
- 5) Execute and oversee a written substance use disorder agreement.
- 6) Contractor must have direct communication access with the participant, including but not limited to by phone and email.
- E. The contractor must facilitate an assessment of each participant as part of the intake process to establish the necessary basis for appropriately managing each participant both initially and throughout their program participation. The contractor must also coordinate or help facilitate timely interventions and treatment.
- F. Reporting and Data
  - 1) Quarterly Reports
  - 2) Immediate reporting to the regulatory agency is required for specific circumstances or on demand per Board or Board staff request.
- G. Must employ an addiction-trained Medical Review Officer or Medical Director with expertise in recovery of healthcare professionals. Expertise shall be reflected in applicable certification(s) in personal recovery or addiction medicine (e.g. ASAM).
- H. Must have an independent, confidential administrative and/or case management review committee that gives recommendations to program staff. Peer program participants of the committee should only serve in an advisory capacity.
- I. Provide an independent internal review for participant disagreements/grievances against staff or case review committee recommendations
- J. Contractor must provide, communicate, and advocate for or against licensure of participants during regular MS Board of Pharmacy meetings and as needed. This attendance shall be in person. Advocacy must be based on established and tracked metrics.
- K. Referrals for mental health or fitness to practice including providing the Board guidance on the physical or mental capacity of a licensee to participate in the practice of pharmacy or assist in the practice of pharmacy with reasonable skills, confidence and safety to the public.
- L. Must maintain competency in the best practices of substance use disorder and mental health management, including dual diagnosis, and serve as a resource to the Board and Board staff in these areas.
- M. Collaborate with Board staff to provide educational programs concerning substance use disorder, benefits of self-reporting, and mental health wellness to identified stakeholders including but not limited to schools of pharmacy, targeted professional groups, and employers.
- N. The Board reserves the right to audit all records maintained by the contractor or its subcontractor's relative to the contractor's performance under this Contract. At least two (2) business days' notice by the Board will be given to the contractor of the intent to audit.

The Board shall have the right to perform financial, performance, and other special audits on such records maintained by the contractor during regular business hours throughout the contract period. The contractor agrees that confidential information including, but not limited to, medical and other pertinent information relative to this contract, shall not be disclosed to any person or organization for any purpose without the expressed, written authority from the Board. The selected contractor will make available all records for review at no cost to the Board. Indicate your acceptance of this Proposals requirement and willingness to cooperate. For the purposes of this section, the term "audits" refers to financial, performance, and other special audits on such records maintained by the contractor and/or its subcontractors relative to the contractor's performance under this Contract. Confirm you will comply with this requirement.

#### 2. Contract Term

- A. This Contract is effective December 1, 2025 and shall terminate on June 30, 2029. There will be an option to renew the contract for an additional one (1) year term, at the discretion and approval of the Board.
- B. All records and information provided by the Board or through its Licensees to the Contractor are the sole property of the Board and will be returned to the Board within thirty (30) days of the termination date of this Contract.

#### 3. Consideration

The Board agrees to compensate the Contractor for services approved by the Board and performed by the Contractor under the terms of this Contract in an amount as follows:

- A. The yearly and monthly rates as listed in Exhibit A, Fee Schedule for Pharmacy Professionals Recovery Program Services (including the total cost of contract services sum), of this Contract will constitute the entire compensation due to the Contractor for services and all the Contractor's obligations hereunder regardless of the difficulty, materials, or equipment required. The total fees include all associated costs with no additional or hidden fees. The hourly rates include, but are not limited to, all required labor; all required equipment/material; all required insurance, bond, or other surety; all required overhead/profit; all required applicable taxes, fees, and general office expense; all required vehicles; all required fuel and mileage; all required travel; all required labor and supervision; all required training; all required business and professional certifications, licenses, permits, or fees; and any and all other direct and indirect costs, incurred or to be incurred, by the Contractor. The fees and rates listed in Exhibit A, Fee Schedule for Pharmacy Professionals Recovery Program Services, of this Contract are firm for the duration of this Contract and are not subject to escalation for any reason, unless otherwise provided for within this Contract, or unless this Contract is duly amended.
- B. The Contractor will be paid in monthly installments in arrears upon completion of services.
- C. The Contractor will submit all invoices, in a form acceptable to the Board (provided that such acceptance will not be unreasonably withheld) with all the necessary supporting documentation, prior to any payment to the Contractor of any allowable fees. Fees will be

invoiced in sufficient detail and format as determined by the Board. Such invoices will include, at a minimum, a description of the service(s) provided, the compensation rate, the time period in which services were provided, and total fees requested for the period being invoiced. The Board shall not provide any prepayments or initial deposits in advance of services being rendered. Fees for services provided by the Contractor shall be billable to the Board in arrears at the end of each deliverable date. Payment for any and all services provided by the Contractor to the Board shall be made only after said services have been duly performed and properly invoiced. Only those services agreed to by contract shall be considered for reimbursement/compensation by the Board. No additional compensation will be provided by the Board for any expense, cost, or fee not specifically authorized by this Contract, or by written authorization from the Board.

D. Upon the effective date of termination of this Contract, the Contractor will remain liable for any obligations arising hereunder prior to the effective date of such termination. In addition, in the event of termination of the Contract for any reason, the Contractor shall be paid for services rendered and allowable expenses incurred up to the effective date of termination.

#### 4. Anti-Assignment/Subcontracting

Contractor acknowledges that it was selected by the State to perform the services required hereunder based, in part, upon Contractor's special skills and expertise. The Contractor shall not assign, subcontract, or otherwise transfer this Contract, in whole or in part, without the prior written consent of the State, which the State may, in its sole discretion, approve or deny without reason. Any attempted assignment or transfer without such consent shall be null and void. No such approval by the State of any subcontract shall be deemed in any way to provide for the incurrence of any obligation of the State in addition to the total fixed price agreed upon in this Contract. Subcontracts shall be subject to the terms and conditions of this Contract and to any conditions of approval that the State may deem necessary. Subject to the foregoing, this Contract shall be binding upon the respective successors and assigns of the parties.

#### 5. Applicable Law

The Contract shall be governed by and construed in accordance with the laws of the State of Mississippi (State), excluding its conflicts of laws provisions, and any litigation with respect thereto shall be brought in the courts of the State. The Contractor shall comply with applicable federal, state, and local laws and regulations.

#### 6. Approval

It is understood that if this Contract requires approval by the Public Procurement Review Board (PPRB) and/or the MDFA Office of Personal Service Contract Review (OPSCR), and this Contract, if not approved by the PPRB and/or OPSCR, is void and no payment shall be made hereunder.

#### 7. Attorney's Fees and Expenses

In the event Contractor defaults on any obligations under this Agreement, Contractor shall pay to the Board all costs and expenses, without limitation, incurred by the Board in enforcing this Agreement or reasonably related to enforcing this Agreement. This includes but is not limited to investigative fees, court costs, and attorneys' fees. Under no circumstances shall the Board be obligated to pay attorneys' fees or legal costs to Contractor.

#### 8. Authority to Contract

Contractor warrants: (a) that it is a validly organized business with valid authority to enter into this Contract; (b) that it is qualified to do business and in good standing in the State of Mississippi; (c) that entry into and performance under this Contract is not restricted or prohibited by any loan, security, financing, contractual, or other contract of any kind; and, (d) notwithstanding any other provision of this Contract to the contrary, that there are no existing legal proceedings or prospective legal proceedings, either voluntary or otherwise, which may adversely affect its ability to perform its obligations under this Contract.

#### 9. Availability of Funds

It is expressly understood and agreed that the obligation of the Board to proceed under this agreement is conditioned upon the appropriation of funds by the Mississippi State Legislature and the receipt the appropriated funds. If the funds anticipated for the continuing time fulfillment of the agreement are, at any time, not forthcoming or insufficient, regardless of the source of funding, the Board shall have the right upon 10 business days written notice to Contractor, to terminate this agreement without damage, penalty, cost or expense to the Board of any kind whatsoever. The effective date of termination shall be as specified in the notice of termination.

#### 10. Certification of Independent Price Determination

The Contractor certifies that prices submitted in response to the solicitation and that the Board has agreed to pay pursuant to the terms of this contract was arrived at independently and without any consultation, communication, or agreement with any other offeror or competitor for the purpose of restricting competition.

#### 11. Change in Scope of Work

The Board may order changes in the work consisting of additions, deletions, or other revisions within the general scope of the Contract. No claims may be made by the Contractor that the scope of the project or of the Contractor's services have been changed, requiring changes to the amount of compensation to the Contractor or other adjustments to the Contract, unless such changes or adjustments have been made by written amendment to the Contract signed by the Executive Director of the Board and the Contractor. If the Contractor believes that any particular work is not within the scope of the project, is a material change, or shall otherwise require more compensation to the Contractor, the Contractor shall immediately notify the Board in writing of this belief. If the

Board believes that the particular work is within the scope of the Contract as written, the Contractor shall be ordered to and shall continue the work as changed and at the cost stated for the work within the Contract.

#### 12. Compliance with Equal Opportunity in Employment Policy

The Contractor understands that the Board is an equal opportunity employer and therefore maintains a policy which prohibits unlawful discrimination based on race, color, creed, sex, age, national origin, physical handicap, disability, genetic information, or any other consideration made unlawful by federal, state, or local laws. All such discrimination is unlawful and the Contractor agrees during the term of the Contract that the Contractor shall strictly adhere to this policy in its employment practices and provision of services.

#### 13. Compliance with Laws

Contractor shall comply with, and all activities under this agreement shall be subject to, all applicable federal, state, and local laws and regulations, as now existing and as may be amended or modified.

#### 14. Confidentiality

Notwithstanding any provision to the contrary contained herein, it is recognized that Board is a public agency of the State of Mississippi and is subject to the Mississippi Public Records Act. Mississippi Code Annotated § 25-61-1 et seq. If a public records request is made for any information provided to the Board pursuant to the Contract and designated by the Contractor in writing as trade secrets or other proprietary confidential information, the Board shall follow the provisions of Mississippi Code Annotated §§ 25-61-9 and 79-23-1 before disclosing such information. The Board shall not be liable to the Contractor for disclosure of information required by court order or required by law.

#### 15. Contractor Personnel

The Board shall, throughout the life of the Contract, have the right of reasonable rejection and approval of staff or subcontractors assigned to the work by the Contractor. If the Board reasonably rejects staff or subcontractors, the Contractor shall provide replacement staff or subcontractors satisfactory to the Board in a timely manner and at no additional cost to the Board . The day-to-day supervision and control of the Contractor's employees and subcontractors is the sole responsibility of the Contractor.

#### 16. Disclosure of Confidential Information

In the event that either party to this Contract receives notice that a third party requests divulgence of confidential or otherwise protected information and/or has served upon it a subpoena or other validly issued administrative or judicial process ordering divulgence of confidential or otherwise protected information that party shall, within 2 days of receipt of such request, inform the other party and thereafter respond in conformity with such subpoena to the extent mandated by law. This

section shall survive the termination or completion of this Contract. The parties agree that this section is subject to and superseded by Mississippi Code Annotated § 25-61-1 et seq.

#### 17. Disputes

Any dispute concerning the Contract which is not disposed of by agreement shall be decided by the President of the Board who shall reduce such decision to writing and mail or otherwise furnish a copy thereof to the Contractor. The decision of the President of the Board shall be final and conclusive. Nothing in this paragraph shall be construed to relieve the Contractor of full and diligent performance of the Contract.

#### 18. E-Payment

The Contractor agrees to accept all payments in United States currency via the State of Mississippi's electronic payment and remittance vehicle. The Board agrees to make payment in accordance with Mississippi law on "Timely Payments for Purchases by Public Bodies", which generally provides for payment of undisputed amounts by the agency within forty-five (45) days of receipt of the invoice. Mississippi Code Annotated § 31-7-301, et seq.

#### 19. E-Verification

If applicable. Contractor represents and warrants that it will ensure its compliance with the Mississippi Employment Protection Act and will register and participate in the status verification system for all newly hired employees. Mississippi Code Annotated §§ 71-11-1 and 71-11-3. Contractor agrees to provide a copy of each verification upon request of the [Agency] subject to approval by any agencies of the United States Government. Contractor further represents and warrants that any person assigned to perform services hereafter meets the employment eligibility requirements of all immigration laws.

The breach of this clause may subject Contractor to the following: (1) termination of this contract and exclusion pursuant to Chapter 15 of the Public Procurement Review Board Office of Personal Service Contract Review Rules and Regulations: (2) the loss of any license, permit, certification or other document granted to Contractor by an agency, department, or governmental entity for the right to do business in Mississippi; or (3) both. In the event of such termination, Contractor would also be liable for any additional costs incurred by the Agency due to Contract cancellation or loss of license or permit to do business in the state.

#### 20. Failure to Deliver

In the event of failure of Contractor to deliver services in accordance with the contract terms and conditions, the Board, after due oral or written notice, may procure the services from other sources and hold Contractor responsible for any resulting additional purchase and administrative costs. This remedy shall be in addition to any other remedies that the Board may have.

#### 21. Failure to Enforce Does Not Constitute Waiver

Failure by the Board at any time to enforce the provisions of the contract shall not be construed as a waiver of any such provisions. Such failure to enforce shall not affect the validity of the contract or any part thereof or the right of the Board to enforce any provision at any time in accordance with its term

#### 22. Force Majeure

Each party shall be excused from performance for any period and to the extent that it is prevented from performing any obligation or service, in whole or in part, as a result of causes beyond the reasonable control and without the fault or negligence of such party and/or its subcontractors. Such acts shall include without limitation acts of God, strikes, lockouts, riots, acts of war, epidemics, governmental regulations superimposed after the fact, fire, earthquakes, floods, or other natural disasters ("force majeure events"). When such a cause arises, the Contractor shall notify the Board immediately in writing of the cause of its inability to perform, how it affects its performance, and the anticipated duration of the inability to perform. All parties shall make reasonable efforts to minimize the impact of the force majeure event on contract performance. The Board may exercise any rights it has under the contract which are available when neither party is in default.

#### 23. Indemnification

To the fullest extent allowed by law, the Contractor shall indemnify, defend, save and hold harmless, protect, and exonerate the Board, its Commissioners, Board Members, officers, employees, agents, and representatives and the State of Mississippi from and against all claims, demands, liabilities, suits, actions, damages, losses, and costs of every kind and nature whatsoever, including, without limitation, court costs, investigative fees and expenses, and attorneys' fees, arising out of or caused by Contractor and or its partners, principals, agents, employees, and or subcontractors in the performance of or failure to perform this Contract.

In the Board's sole discretion, upon approval of the Office of the Mississippi Attorney General, the Contractor may be allowed to control the defense of any such claim, suit, etc. In the event the Contractor defends said claim, suit, etc., the Contractor shall use legal counsel acceptable to the Office of the Mississippi Attorney General and the Board. The Contractor shall be solely responsible for all costs and or expenses associated with such defense, and the Board shall be entitled to participate in said defense. The Contractor shall not settle any claim, suit, etc., without the concurrence of the Office of the Mississippi Attorney General and the Board, which shall not be unreasonably withhold.

#### 24. Independent Contractor Status

The Contractor shall at all times, be regarded as, and shall be legally considered an Independent Contractor and shall at no time act as an agent for the Board. Nothing contained herein shall be deemed or construed by the Board, the Contractor, or any third party as creating the relationship of principal and agent, master and servant, partners, joint ventures, employer and employee, or any similar such relationship between the Board and the Contractor. Neither the method of computation

of fees or other charges, nor any other provision contained herein, nor any acts of the Board or the Contractor hereunder creates, or shall be deemed to create a relationship other than the independent relationship of the Board and Contractor.

The Contractor's personnel shall not be deemed in any way, directly or indirectly, expressly or by implication, to be employees of the Board. Neither the Contractor nor its employees shall, under any circumstances, be considered servants, agents, or employees of the Board, and the Board shall be at no time be legally responsible for any negligence or other wrongdoing by the Contractor, its servants, agents, or employees.

The Board shall not withhold from the Contract payments to the Contractor any federal or state unemployment taxes, federal or state income taxes. Social Security tax, or any other amounts for benefits to the Contractor. Further, the Board shall not provide to the Contractor any insurance coverage or other benefits, including Worker's Compensation, normally provided by the State for its employees.

#### 25. Information Designated by the Board as Confidential

Any liability resulting from the wrongful disclosure of confidential information on the part of Contractor, or its subcontractor(s) shall rest with Contractor. Disclosure of any confidential information by Contractor or its subcontractor(s) without the express written approval of the Board may result in the immediate termination of this agreement.

#### 26. Insurance

Contractor represents that it will maintain workers' compensation and all liability insurance as outlined in its Proposal, including general liability insurance, professional liability insurance, medical director's liability insurance, and directors' and officers' liability insurance. All aforementioned insurance policies will provide coverage to the Mississippi Board of Pharmacy as an additional insured. The Board reserves the right to request from carriers, certificates of insurance regarding the required coverage. Insurance carriers shall be licensed or hold a Certificate of Authority from the Mississippi Department of Insurance

#### 27. Modification or Renegotiation

This Contract may be modified, altered or changed only by written agreement signed by the parties hereto. The parties agree to renegotiate the Contract if federal, State and/or the Board revisions of any applicable laws or regulations make changes in this Contract necessary.

#### 28. No Limitation of Liability

Nothing in this agreement shall be interpreted as excluding or limiting any liability of the Contractor for harm arising out of the Contractor's or its subcontractors' performance under this agreement.

#### 29. Offeror's Representation Regarding Contingent Fees

By executing this contract the Contractor represents that it has not retained any person or agency on a percentage, commission, or other contingent arrangement to secure this contract. If the Contractor cannot make such a representation, a full and complete explanation shall be submitted in writing to the Board prior to contract execution.

#### 30. Oral Statements

No oral statement of any person shall modify or otherwise affect the terms, conditions, or specifications stated in this Contract. All modifications to the Contract shall be made in writing by the Board and agreed to by the Contractor.

#### 31. Ownership of Documents and Work Papers

The Board shall own all documents, files, reports, work papers and working documentation, electronic or otherwise, created in connection with the project which is the subject of this Contract, except for the Contractor's internal administrative and quality assurance files and internal project correspondence. The Contractor shall deliver such documents and work papers to the Board upon termination or completion of the Contract. The foregoing notwithstanding, the Contractor shall be entitled to retain a set of such work papers for its files. The Contractor shall be entitled to use such work papers only after receiving written permission from the Board and subject to any copyright protections.

#### 32. Paymode

Payments by state agencies using the State's accounting system shall be made and remittance information provided electronically as directed by the State. These payments shall be deposited into the bank account of the Contractor's choice. The State may, at its sole discretion, require the Contractor to submit invoices and supporting documentation electronically at any time during the term of this Contract. The Contractor understands and agrees that the State is exempt from the payment of taxes. All payments shall be in United States currency.

#### 33. Procurement Regulations

The Contract shall be governed by the applicable provisions of the Mississippi Public Procurement Review Board Office of Personal Service Contract Review Rules and Regulations, a copy of which is available at 501 North West Street, Suite 701E, Jackson, Mississippi 39201 for inspection, or downloadable at <a href="http://www.dfa.ms.gov/dfa-offices/personal-service-contract-review/opscr">http://www.dfa.ms.gov/dfa-offices/personal-service-contract-review/opscr</a>.

#### 34. Professional Certifications and Licenses

Contractor shall provide official copies of all valid licenses and certificates required for performance of the work. The official copies shall be delivered to the Board no later than ten business days after Contractor receives the Notice of Intent to Award from the Board. Current official copies of licenses and certificates shall be provided to the Board within five business days

of request at any time during the contract term. Licenses and certificates required for this contract include the following: a business license valid in Mississippi; a professional license or certificate.

#### 35. Property Rights

Property rights do not inure to Contractor until such time as services have been provided under a legally executed contract. Contractor has no legitimate claim of entitlement to the provision of work hereunder and acknowledges that the Board may terminate this contract at any time for its own convenience.

#### 36. Representation Regarding Gratuities

Contractor represents that it has not, is not, and will not offer, give, or agree to give any employee or former employee of Board a gratuity or offer of employment in connection with any approval, disapproval, recommendation, development, or any other action or decision related to the solicitation and resulting contract. Contractor further represents that no employee or former employee of Board has or is soliciting, demanding, accepting, or agreeing to accept a gratuity or offer of employment for the reasons previously stated; any such action by an employee or former employee in the future, if any, will be rejected by Contractor. Contractor further represents that it is in compliance with the Mississippi Ethics in Government laws, codified at Mississippi Code Annotated §§ 25-4-101 through 25-4-121, and has not solicited any employee or former employee to act in violation of said law.

#### 37. Required Public Records and Transparency

Upon execution of a contract, the provisions of the contract which contain the personal or professional services provided, the unit prices, the overall price to be paid, and the term of the contract shall not be deemed to be a trade secret or confidential commercial or financial information pursuant to Mississippi Code Annotated § 25-61-9(7). The contract shall be posted publicly on www.transpareney.ms.gov and shall be available for at the Agency for examination, inspection, or reproduction by the public. The Contractor acknowledges and agrees that the Board and this contract are subject to the Mississippi Public Records Act of 1983 codified at Mississippi Code Annotated §§ 25-61-1, et seq. and its exceptions. Mississippi Code Annotated § 79-23-1, and the Mississippi Accountability and Transparency Act of 2008, codified at Mississippi Code Annotated §§ 27-104-151, et seq.

#### 38. Right to Audit

Contractor shall maintain such financial records and other records as may be prescribed by the Board or by applicable federal and state laws and regulations. Contractor shall retain these records for a period of three years after final payment, or until they are audited by the Board, whichever event occurs first. These records shall be made available during the term of the contract and the subsequent three-year period for examination, transcription, and audit by the Board, the Mississippi State Auditor's Office, and/or other entity of the state.

#### 39. Right to Inspect

The Board may, at reasonable times, inspect the place of business of a Contractor or any subcontractor which is related to the performance of any contract awarded by the Board.

#### 40. Severability

If any part of this Contract is declared to be invalid or unenforceable, such invalidity or unenforceability shall not affect any other provision of the Contract that can be given effect without the invalid or unenforceable provision, and to this end the provisions hereof are severable. In such event, the parties shall amend the Contract as necessary to reflect the original intent of the parties and to bring any invalid or unenforceable provisions in compliance with applicable law.

#### 41. Standards of Care/Remedies

The Contractor shall exercise reasonable care and due diligence consistent with standards in the industry in the performance of its obligations under this Contract.

#### 42. Stop Work Order

The Board may, by written order to Contractor at any time, require Contractor to stop all or any part of the work called for by this contract. This order shall be for a period of time specified by the Board. Upon receipt of such an order. Contractor shall forthwith comply with its terms and take all reasonable steps to minimize any further cost to the Board. Upon expiration of the stop work order. Contractor shall resume providing the services which were subject to the stop work order, unless the Board has terminated that part of the agreement or terminated the agreement in its entirety. The Board is not liable for payment for services which were not rendered due to the stop work order.

#### 43. Termination

Termination for Convenience. The Board may, when the interests of the Board so require, terminate this contract in whole or in part, for the convenience of the Agency. The Board shall give written notice of the termination to Contractor specifying the part of the contract terminated and when termination becomes effective. Contractor shall incur no further obligations in connection with the terminated work and on the date set in the notice of termination Contractor will stop work to the extent specified. Contractor shall complete the work not terminated by the notice of termination and may incur obligations as are necessary to do so.

Termination for Default. If the Board gives the Contractor a notice that the personal or professional services are being provided in a manner that is deficient, the Contractor shall have 30 days to cure the deficiency. If the Contractor fails to cure the deficiency, the Board may terminate the contract for default and the Contractor will be liable for the additional cost to the Board to procure the personal and professional services from another source. Termination under this paragraph could result in Contractor being excluded from future contract awards pursuant to Chapter 15 of the Public Procurement Review Board Office of Personal Service Contract Review Rules and

Regulations. Any termination wrongly labelled termination for default shall be deemed a termination for convenience.

#### 44. Third Party Action Notification

The Contractor shall give the Board prompt notice in writing of any action or suit filed, and prompt notice of any claim made against the Contractor by any entity that may result in litigation related in any way to this Contract.

#### 45. Waiver

No delay or omission by either party to this agreement in exercising any right, power, or remedy hereunder or otherwise afforded by contract, at law, or in equity shall constitute an acquiescence therein, impair any other right, power or remedy hereunder or otherwise afforded by any means, or operate as a waiver of such right, power, or remedy. No waiver by either party to this agreement shall be valid unless set forth in writing by the party making said waiver. No waiver of or modification to any term or condition of this agreement will void, waive, or change any other term or condition. No waiver by one party to this agreement of a default by the other party will imply, be construed as or require waiver of future or other defaults.

#### 46. Notices

All notices required or permitted to be given under this Contract shall be in writing and personally delivered or sent by certified United States mail, postage prepaid, return receipt requested, to the party to whom the notice should be given at the address set forth below. Notice shall be deemed given when actually received or when refused. The parties agree to promptly notify each other in writing of any change of address.

## RFP RFx # RFP for Pharmacy Professional Recovery Program Services Procurement Questions and Answers

	RFP Section, Page Number	Date Received	Question (As submitted)	Response
1.	Section 1, 1.1, Introduction, Page 3	8/21/25 9:39 AM	The contract, with extension, ends June 30, 2030. Assuming both parties are pleased with the arrangement, can the contract be extended beyond that?	PPRB OPSCR Rules and Regulations 14.3.1 provides that a contract for professional services may be entered into for a maximum period of performance of five year. The PPRB approved this solicitation for a period of 4 years with 1 year renewal. Any additional contracts would require a new RFP. Future contracts will be subject to state procurement guidelines at that time.
2.	Section 2, 2.1.Program Services, D(2) Page 4	8/21/25 9:39 AM	This section mentions reports from multiple parties but includes Sponsors. PHN has discussed this in the past and determined that we would not request anything from a sponsor except in rare situations, since we do not wish to interfere with Sponsor-Sponsee relationship (which is built on honesty and trust, and we fear our intrusion could compromise the relationship. Is that decision left to the Program or is it an expectation of the Pharmacy Board?	Contractor would determine what information from sponsor if any is sufficient for validation reports unless specifically directed otherwise by a Board order. It is likely that confirming that the relationship exists would be the extent of information requested so that there is no perceived interference.
3.	Section 2, 2.1.Program Services, N Page 5-6	8/21/25 9:39 AM	Item N has verbiage about clearance from the Board to release any information. The program has released HIPAA information to evaluators, treatment providers or continuing care providers. We assume that is understood and agreeable. However, we would like clarification. Does the Board have to approve such releases?	Any release of HIPAA protected information to authorized treatment providers would be exempt from release approval. This will be clarified in the Contract.
4.	Section 2, 2.1.Program Services, H Page 5	8/21/25 1:45 PM	Where it says "must have an independent, confidential administrative and/or case review committee that gives	The medical director and staff counselor may be participants of the committee listed in Item H.

			recommendations to program staff", can the medical director and staff counselor be part of this committee?	
5.	Section 2, Scope of Services Page 4	8/21/25 4:27 PM	When it says "For the services, please respond by restating each service listed, including the number, and confirm your intention to provide the service as described, respond by stating, "Confirmed". " does that mean we should have the questioned typed out and then type it out a second time followed by confirmed or is having the question along with number stated once and then then confirmed the intention? For example, should it be  1.  A. The Contractor must be capable of receiving referrals of licensees and coordinating appropriate communication at any time.  A. The Contractor must be capable of receiving referrals of licensees and coordinating appropriate communication at any time.  Confirmed.  OR  2.  A. The Contractor must be capable of receiving referrals of licensees and coordinating appropriate communication at any time.  Confirmed.  OR  Confirmed.	Response as noted in your Option #2.
6.	Section 7, Fee Schedule Page 15	8/21/25 4:27 PM	When submitting the fee scheduled as outlined on page 15, do you want numbers only or do we need to attach or include a detailed budget breakdown of all cost categories and specific costs associated with each category?	Only designated fees as requested in Section 7 of RFP are required. A detailed budget of costs or anticipated expenditures is not required.

Todd-

Thanks for the note. Yes, Uprise will prorate for the months the agreement is actually in effect. This excel workbook looks like it was built just for 12-month modeling.

The actual non-annualized total is \$319,998 (45,714 × 7 months) for that first partial year.

Please don't hesitate to reach out with any other questions!

best.

### STATE OF MISSISSIPPI MISSISSIPPI BOARD OF PHARMACY

### **CRAIG SARTIN**

Craig Sartin is the owner of Sartin's Discount Drugs in Gulfport, Mississippi, which he founded in 1983. Craig was appointed to serve on the Mississippi Board of Pharmacy for a term of July 1, 2022 through June 30, 2027. In 1988, Craig opened one of the first Mississippi home infusion centers, Sartin's Vital Care, and opened Burnham's Vital Care in Moss Point, MS, with a partner in 2001. Craig has been a partner owner in Diamondhead Discount Drugs and the Sartin-Duran Drug Company both in Pass Christian, Mississippi. Craig has practiced pharmacy in a variety of other settings including serving as Director of Pharmacy for Pearl River Hospital, Director of Pharmacy of Sand Hill CPC Hospital, founding a nursing home consultant group, and serving as Pharmacist-in-Charge for Canon Hospice and others. Craig is the founding member of "The Ole Miss Group." This group of 19 retail locations actively utilizes purchasing power to insure the viability of independent pharmacy in South Mississippi. Craig has been active with many pharmacy and community associations. He currently serves on the Cardinal National Retail Advisory Board and the Ole Miss Pharmacy Dean's Advisory Board. He has been an Ole Miss Pharmacy Preceptor for over 20 years and precepts for William Carey, Creighton University and others. Craig graduated from the University of Mississippi in 1979 with a B.S. in Pharmacy. He has been married to Linda Sartin for 38 years and has 2 children, Evan Sartin, PharmD, and Whitney Sartin. Craig has resided in Long Beach, Mississippi, for 40 years.

### 6.10 Describe the structure of your administrative and/or case management review committee.

Immediate issues are addressed with input from an internal. Policy Advisory Committee (PAC) comprised of the medical director, program manager, and one rotating agreement monitor. Issues that are less timely are staffed weekly by the entire team of agreement monitors, support staff, monitoring program manager and the medical director.

### 6.11 Provide details of your internal review process for participant disagreements or grievances.

The recovery monitoring program PAC reviews participant disagreement and grievances. This group will be expanded to include Mississippi Board of Pharmacy representation and a recovery support peer to address MPPRPS grievances.

Pathways Counseling, PLLC has extensive experience working with nurses, physicians, pharmacists, and other licensed professionals requiring monitoring due to substance use or mental health concerns. Our clinicians understand the unique stressors of healthcare roles, the need for professional accountability, and the importance of structured recovery plans to protect both the individual's health and public safety.

6.11 Provide details of your internal review process for participant disagreements or grievances.

Reports are submitted quarterly or as otherwise required. Each report includes a compliance summary, toxicology results, treatment provider updates, and any recommendations. Immediate reports are filed within 48 hours for critical incidents such as relapse, noncompliance, or threats to public safety. Reports are transmitted through secure, encrypted communication channels to ensure confidentiality.

Y

- 6.11 Provide details of your internal review process for participant disagreements or grievances.
- The process depends on the nature of the disagreement I grievance:
- Disagreement with an evaluation recommendation: PHN does not diagnose or treat. If the participant, for example, disagrees with a recommendation for treatment they are offered the option of a second opinion at one of 3 other approved facilities. Absent a second opinion supporting the licensee they must have treatment.
- Disagreement with length of treatment: PHN follows the recommendations of the treating experts with the caveat that all treatment providers understand that we expect the level of care and length of stay clinically indicated. If the licensee desires they may elect to obtain a second opinion at another approved facility or they may transfer to another approved facility.
- Disagreement with a contract element: If the Committee views the participants concern as made in good faith, reasonable and responsible, it may elect to accommodate a change. In most cases the contact is expected to be followed as written. Participation in PHN is voluntary. However, all our contracts state that non-compliance will prompt an immediate report to the Board.
- Toxicology: Some participants don't understand why they have multi-panel toxicology since they "never used anything except X,Y, or Z". We use these opportunities to discuss their substance of choice as "a face" of their addiction but emphasize their illness is "addiction". PHN, along with Licensure Boards and other stakeholders expect our participants with addictive illness to be abstinent from all mood-altering substances. To be credible our toxicology must document that abstinence.
- Participant conflict with a particular PHN Committee member: In such a case the PHN Committee member will recuse themselves for that particular participant's case discussion.
- In short, the PHN Committee is fair and listens to all concerns. Reasonable accommodations can be made, but the overriding emphasis is the participant's successful recovery. The PHN Committee works well together. All input is heard, considered, and discussed until consensus is reached.

### 5.12 Describe your Quality Assurance and Quality Improvement principles and related structure.

Since 2010, Uprise Health has operated recovery programs for health professionals. There are several quality management tools that have been implemented to ensure continued quality improvement of the recovery monitoring programs with a goal of improving services for the participant licensee, the participant licensee's workplace, the licensee's treatment provider, and the licensee's licensing board.

Uprise Health provides weekly utilization statistics to the participating licensing boards depicting the number of licensees enrolled, a count of licensees in the process of enrollment, and percent of licensees in compliance. These counts are disseminated weekly with an email overview. Specifics as to licensee, including licensee number and current program status, are uploaded to each individual board via the secure and confidential document exchange program.

Uprise Health also provides monthly performance metrics to the recovery participant's licensing board including:

- 100% of the time, Uprise Health shall enroll the board-referred Licensee in the program on the
  date Licensee signs the consents for disclosures and exchanges of information and the monitoring
  agreement.
- At least 90% of the time, Contractor shall conduct the self-referred Licensee safe-practice investigations to determine whether Licensee's practice while impaired has presented or presents a danger to the public.
- At least 90% of the Licensees with substance abuse disorders shall receive the minimum toxicology testing.
- At least 55% of all toxicology testing shall be conducted on Mondays, Fridays, or Saturdays.
   Includes tests actually taken by Licensees as well as scheduled tests that were missed and considered non-compliant events.
- At least 90% of the time, Contractor shall submit compliance reports to the monitoring entity at least once per week.
- Contractor shall submit substantial noncompliance reports to the monitoring entity within one (1) business day after Contractor learns of the noncompliance.
- At least 90% of the time, Contractor shall conduct exit interviews with Licensees.

5.12 Describe your Quality Assurance and Quality Improvement principles and related structure. We quantify our success or failure with relapse rates with our participants. We have in the past increased contract durations and requirements when needed. We also have included a therapist in our committee meetings with clients.

## 5.12 Describe your Quality Assurance and Quality Improvement principles and related structure

- We use only forensically certified toxicology labs recognized by FSPHP and used by most national PHPs. Any unexpected or unusual result prompts a discussion between our Medical Director and the Labs toxicologist.
- The PHN Committee meets every other month and assesses the quality of evaluation, treatment and continuing care being provided each program participant. We use evaluation and treatment facilities with a track record of success working with healthcare professionals. Most of these facilities are utilized by large numbers of state PHPs nationally. We use state providers who provide excellent care. If concerns arise we address them with the parties involved or remove the evaluation/treatment center or other professional(s) from our approved list.
- We work closely with the Boards, their staff and investigators to ensure we are meeting their needs and expectations in their mission to protect the public.
- The PHN Board meets each May and November as well as any specially called PHN Board meetings. All fiscal management rests with the PHN Board. The PHN Board must approve PHN hires. The PHN Board and Committee routinely assesses the need for specific expertise to be added to each. (NOTE: If awarded the Pharmacy Board contract. we anticipate our meetings increasing to monthly.)
- The PHP Committee and Board review our policies and procedures yearly, with expedited review for any concerns that arise. At each review we ensure we are operating within our bylaws and in accordance with our policies and procedures.
- HIPAA Compliance remains at the forefront in all PHN interactions.
- If any case fails to proceed as expected/hoped, the case is reviewed by the PHN Committee to discuss the case/problems, explore what happened and review ways we might learn from the case and how we might improve our process.
- We operate with our Licensure Boards in an open, honest and direct fashion and all program participants understand our position in this regard.

### 6.8 Provide key performance indicators that reflect your ability to monitor health care professionals.

Participants in the Program are required to adhere to specific guidelines, such as obtaining third-party evaluations, signing release of information authorizations, and committing to complete abstinence from mood-altering substances unless approved by the program. Regular communication with their designated Agreement Monitor, randomized toxicology testing, and participation in treatment plans are also essential components of the program. This Program serves as a unique bridge between the workplace, public safety, and sustained recovery.

Over the last 15 years, we have learned much about the monitoring of health professionals and the specific requests and requirements of participating boards. We have worked collaboratively with the advisory committee and engaged in discussions to ensure that program guidelines and requirements as outlined in monitoring agreements are correct.

Of all the important lessons we have learned, the most important is to be as explicit as possible as it relates to the licensee's specific requirements outlined in the licensee's Addendum to the Monitoring Agreement. We have also learned the importance of the human interface. Additionally, Uprise Health's experience in monitoring has led us to research and quantify questions about recovery and monitoring.

Specific performance indicators related to monitoring include providing online access for licensees, early and on-going communication, and workplace and on-going communication.

To Whom It May Concern:

I am writing in my professional capacity as a Licensed Professional Counselor in support of Mr.

He has demonstrated reliability, accountability, and ongoing stability throughout his participation.

At this time, I see no inhibitory or clinical concerns that would prevent from safely and effectively returning to work in his role as a pharmacist. His progress and dedication to maintaining his recovery reflect positively on his readiness to resume professional responsibilities.

Please feel free to contact me should you need any additional information or clarification.

Sincerely,

## Z. Thompson

6.12 Provide a de-identified example of advocacy conducted in support of a program member regaining licensure. (ie. Deidentified hearing transcript, letter of support, etc.)

PHN provides "earned advocacy". Earned advocacy is based on a participant's abstinence from all mood-altering substances with negative toxicology, compliance with contract requirements, demonstrable commitment to recovery with self-motivation and self-responsibility. Each licensee planning to approach their Board about regaining licensure must appear before the PHN Committee to review their readiness to take this step. If the Committee believes they have not yet met criteria for support we will advise them of same, explain what we need to see and set up a follow-up visit to discuss

further. If the participant has earned our advocacy we assist by:

Providing a letter of support (see deidentified example attached). Discussing their appearance before the Board and questions they may anticipate.

We also discuss continuing education requirements and status of same.

Arranging for the Medical Director, PHN Committee Chair, or other Committee
member to accompany them to the Board, prepared to discuss their recovery and
the reasons the PHN Committee supports, or does not support, their request.

The PHN Committee sometimes institutes certain "in-house" limitations the PHN Committee believe may be indicated for continued successful recovery, such as initial number of work hours, work-place environment etc. Examples might be initially limiting work hours or agreeing to return to work in a setting with other licensees as opposed to solo.

# 6.7 Describe any liaison work with public entities and other states and how your organization maintains awareness and competence in best practices.

Uprise Health engages in outreach to health professional public entities and organizations providing awareness and competence in best practice. For example, Uprise Health follows a Strategic Outreach Plan to address educational tactics for professional associations, employers including human resources, treatment providers, and schools in Oregon. Between 2020 and 2024, Uprise Health representatives have provided educational outreach in promotion of support and public safety at the following venues.

8/25/20 Serenity Lane

9/17/20 Federation of State Physician Health Programs Western Regional Conference

1/19/21 Walla Walla University School of Nursing

1/21/21 The Recovery Village Ridgefield

1/28/21 Hazelden Betty Ford

Oregon State Board of Nursing
Oregon Medical Association
Oregon Dental Association Wellness Committee
Serenity Lane
Oregon State University/OHSU College of Pharmacy
Oregon Medical Association
Serenity Lane
Oregon Medical Association
Oregon Dental Association
Hazelden Betty Ford
AMFM Counseling
Oregon Dental Association

Uprise Health are active members of FSPHP (Federation of State Physician Health Programs) and NOAP (National Organization of Alternative Programs) which provides great leadership and guidance in maintaining best monitoring practices. We recently attended the NOAP conference in May of this year and we were happy to find we are meeting and exceeding industry standards. Under the Monitoring Program Manager, Christa Lee, LMSW, Uprise Health looks forward to developing an outreach plan for Mississippi.

**6.7** Describe any liaison work with public entities and other states and how your organization maintains awareness and competence in best practices.

Relapse is treated as part of the recovery process rather than as immediate grounds for dismissal. When a relapse occurs, a reassessment is conducted to determine the level of care needed. Treatment plans are adjusted, often including increased therapy frequency, higher levels of care, or intensified monitoring. The Board is notified promptly, and collaborative planning with the participant, treatment team, and the Board is initiated to support continued recover while maintaining public safety.

У

## 6.9 Describe the frequency of individual meetings with program participants. Please include any anticipated changes as participants progress in the program.

As noted above, for the first several months of participation, licensees must have voice-to-voice, phone contact with their agreement monitors. By the time recovery licensees reach their third month of participation, most transition to a monthly voice-to-voice contact, but must also check-in weekly by phone, voicemail, or email, if an email consent form is signed. During these weekly check-ins, the licensee notifies Uprise Health of any changes to their work, living, or treatment arrangements. Although many specific events must be documented within 24 hours, the weekly check-in allows an opportunity to check for any change in the licensee's status

The weekly voice to voice contact is removed after several months when the recovery monitoring licensee is more stabilized. At that point participants are still required to check-in with their agreement monitor weekly, but the voice-to-voice requirement will be reduced from weekly, to bi-weekly, to eventually monthly and as needed.

**6.9** Describe the frequency of individual meetings with program participants. Please include any anticipated changes as participants progress in the program.

Staff maintain ongoing continuing education, participate in professional associations (e.g., ACA, NAADAC), and regularly review updated research and state/federal guidelines. Program policies are reviewed annually to integrate new evidence-based practices. Collaboration with other healthcare providers and attendance at professional conferences ensure the program remains at the forefront of effective recovery monitoring.

6.2 Describe the history, program philosophy, number of years in service, and accomplishments of your organization in managing healthcare professionals whose ability to safely practice is or may be impaired because of alcohol use, substance use/and or mental illness.

Uprise Health draws upon more than 30 years of experience in the mental health industry to design and deliver solutions that wrap members in a full system of support. We combine the standard clinical support of a traditional EAP (e.g., short-term counseling, work-life services, critical incident support, etc.) with a clinically validated digital platform that offers self-guided and coach-guided, CBT-based mental fitness courses, enabling members to manage their own mental health. Our solutions are designed to fill gaps in care, improve access, and address unrecognized or ignored mental health issues. We wrap members in a full system of digital and in-person care options, and we use evidence-based, Stepped Care protocols to move members along the care spectrum—from digital, self-guided support for low-risk members to live, in-person care for moderate- and high-risk individuals. This approach ensures that we deliver the most effective and least costly treatments at the right time to help employees heal more quickly.

Uprise Health is a proven PHP/ATD operator: Uprise has successfully managed Delaware's Professionals' Health Monitoring Program since 2013 (covering 50+ DPR-licensed professions) and Oregon's Health Professionals' Services Program since 2010. In 2019, a major Delaware health system engaged Uprise Health to administer its caregiver monitoring program, enabling safe return to work through enrollment, compliance, and toxicology testing. Uprise Health has accomplished these goals by maintaining credentialed and experienced staff with our longstanding commitment to the welfare of healthcare professionals.

**6.2** Describe the history, program philosophy, number of years in service, and accomplishments of your organization in managing healthcare professionals whose ability to safely practice is or may be impaired because of alcohol use, substance use/and or mental illness.

Pathways Counseling, PLLC, embraces a holistic, person-centered philosophy of recovery that views addiction and mental health conditions as treatable illnesses rather than moral failings. Recover *i* is seen as a lifelong process that involves medical, psychological, social, and spiritual dimensions. This philosophy is applied through individualized treatment planning, ongoing monitoring, and collaboration with multidisciplinary providers. Emphasis is placed on accountability, professional responsibility, and the restoration of both health and career functioning.

have over 90% of our participants healthy and practicing their profession at 5 years post-intervention. We are proud to say that to date, we have had no reports of patient / public harm by a PHN Participant under contract.

One of the strengths of our program is the recognition that virtually no one has "just addiction". Psychiatric comorbidity such as Depression, Anxiety Disorder, Bipolar Disorder, PTSD are almost always present. We recognize that addressing these comorbidities are critically important for continuing sobriety and wellness. In addition, we have come to understand that significant past trauma is very often present (up to 70%). While significant trauma cannot (and should not) be addressed during residential treatment it is critical that it be addressed once the participant is emotionally stable and surrounded with a strong support system. We are fortunate to have developed relationships with a number of excellent EMDR trauma therapists around the state able to provide excellent care.

Our accomplishments include a proven track record of success. We enjoy excellent relationships with licensure boards based on open, honest, and direct communication as well as mutual respect and trust. We are proud of our relationships with our program participants. While we are firm in our expectations and requirements of accountability, we are also supportive and encouraging of their efforts toward wellness. The PHN Committee takes pride in seeing the positive change recovery brings to so many of our licensees - they become strongest in the broken places and are often a greater asset to the public in recovery than before they developed a potentially impairing illness. We also think it says something that many licenses who complete 5 years of monitoring wish to say associated with PHN through a voluntary "step-down contact". In addition, many of our recovering PHN Committee members were themselves once under a PHN Contact and desire to dedicate their time and experience to serve in order to support their recovering colleagues.

We consider the Annual Addiction Conference to be a great accomplishment. We have continued to attract nationally and internationally known experts in the field. Our participants are from multiple healthcare specialties both within the state and nationally. Many who work in the treatment industry describe our conference as "the best" or "one of the best nationally." We have some conference attendees who have not missed a conference in 17 years.

## Jerry M. Fortenberry

Jerry Fortenberry, RPh, is a pharmacist, leader, and advocate whose career reflects a strong commitment to his profession and a focus on improving the lives of others. After earning his degree from the University of Louisiana at Monroe (formerly Northeast Louisiana University) School of Pharmacy in 1980, Jerry became a registered pharmacist, starting his career with professionalism, service, and a dedication to his local community.

Jerry's entrepreneurial mindset came to life in 1992 when he founded Richland Discount Drugs in Richland, Mississippi. For more than a decade, the pharmacy became a reliable resource, known for its personalized care and commitment to meeting the healthcare needs of the area. While his success in business was noteworthy, his achievements were complemented by his dedication to combating an important issue in the field of pharmacy: helping pharmacists and pharmacy technicians struggling with substance dependence.

With an understanding of the difficulties healthcare professionals face when it comes to substance dependence, Jerry co-founded the Mississippi Association of Recovering Pharmacists (MARP) in 1987. Along with the organization's other founding members, he helped create a support system to reduce stigma and provide structured assistance for pharmacy professionals in recovery. He contributed to developing MARP's goals and shaping it into an organization dedicated to addressing the specific needs of pharmacists and technicians experiencing these challenges. By collaborating with the Mississippi Board of Pharmacy, Jerry helped clarify how the pharmacy profession could respond to these issues with support and compassion. His proactive approach has made MARP a visible and trusted resource in the field.

During MARP's initial years, Jerry played a key role in several of the organization's achievements. He helped implement a confidential 1-800 helpline to provide immediate support and information. Jerry also assisted the organization in attaining 501(c)(3) nonprofit status to allow for long-term success and worked with state legislators to ensure legal protection for those acting in good faith to offer or seek recovery assistance. These steps established MARP as a well-regarded resource within the pharmacy community, actively addressing a pressing need and providing solutions based on integrity and support.

For over 30 years, Jerry has been an active leader within MARP. He has held the position of Treasurer for 36 of the organization's 38-year history and has served on the Executive Board since it began. His involvement has included coordinating annual recovery conferences for over 25 years, organizing regular meetings every six weeks, and attending Mississippi Board of Pharmacy meetings to support and advocate for recovering pharmacists. With his guidance, MARP has gained national recognition, inspiring similar programs across the U.S. and becoming a valued example in the field. These achievements underscore Jerry's steady commitment and his ability to encourage meaningful progress.

Jerry views the work of MARP as more than just a professional responsibility. His efforts have allowed many pharmacists and technicians to overcome significant challenges, regain perspective, and move forward with their careers and lives. By connecting individuals with recovery solutions, Jerry has made a lasting impact and provided a thoughtful model of leadership in the pharmacy field. His work reflects a genuine desire to help others succeed in both their personal and professional pursuits. It is this balanced dedication to addressing challenges and promoting recovery that highlights his broader vision of service.

Beyond his work in pharmacy, Jerry Fortenberry has contributed extensively to his community through various volunteering roles. Over the years, Jerry has become recognized for his steady commitment to supporting his community through leadership and collaborative efforts. His contributions extend to many civic, cultural, and educational initiatives, each helping to enhance the areas they serve. He approaches his volunteer work with the same determination and sense of purpose that he brings to his professional life, creating a sense of continuity in all of his efforts.

# 5.5 Describe your organization's qualifications demonstrating work with healthcare professionals over the last five (5) years.

Uprise Health has a long history of operating recovery programs like physician health programs (PHP) and alternative to discipline (ATD) programs that Uprise Health operates in Delaware and Oregon. Uprise Health has operated the Delaware Professionals' Health Monitoring Program (DPHMP) since 2013. DPHMP is the PHP and ATD for all professions licensed by the Division of Professional Regulation including pharmacy, medical, dental, nursing, psychology, social workers, and over 50 other licensed professions. Uprise Health has also operated Oregon's Health Professionals' Services Program (HPSP) since July 2010 the recovery PHP and ATD for Oregon's Board of Pharmacy, Board of Dentistry, Medical Board, and State Board of Nursing. Additionally, A large Health System, based in Delaware, is dedicated to supporting and rehabilitating their employees (referred to as "caregivers") who are dealing with substance use disorders or impairments related to mental health. To facilitate their safe return to work, the Health System partnered with Uprise Health in 2019 to administer the Monitoring Program. This program offers comprehensive recovery services, including enrollment management, compliance monitoring, and toxicology testing.

5.5 Describe your organizations qualifications demonstrating work with healthcare professionals over the last five (5) years. We have a proven track record of providing monitoring and advocacy services for The Mississippi Board of Pharmacy over the last 5 years. We have produced annual educational seminars over the past 5 years and have complied with our contract for services with the Mississippi State Board of Pharmacy.

5.6 List the types and number of health care professionals and the numbers served in the last five (5) years. We have monitored pharmacists and pharmacy technicians over the past 5 years. We have monitored 55 pharmacists and 2 pharmacy technicians over the last 5 years.

# 5.5 Describe your organizations qualifications demonstrating work with the healthcare professionals over the last 5 years.

PHN Inc was formed and has operated since 2009. We enjoy an excellent working relationship with the Boards we serve under a Memorandum of Understanding (contract). PHN's success rate mirrors the national average as described in Project Blue Print Articles. (See Section 10).

Over the past 16 years we have worked via Memorandum of Understanding with Boards including the Dentists, Veterinarians, and Methodist Conference. We also work with multiple other healthcare disciplines on a case-by-case basis (i.e., no formal contact). PHN is a member of the Federation of State Physician Health Programs (FSPHP) and participates with their confidential e-group which is available to anonymously discuss complicated / nuanced cases, emerging trends, toxicology, program funding and administration, etc.

PHN created and hosts the Annual Mississippi Addiction Conference which brings together leaders in the field for 3 days of CE each February with the 18<sup>th</sup> Conference upcoming in February 2026. Our PHN Committee meets every two months and sees program participants who are scheduled. PHN Committee members include the disciplines we serve with over 50% in their own personal recovery. Our Committee includes two addiction psychiatrists, and an addiction-trained psychiatric nurse practitioner. Our Medical Director, Gary Carr, MD, is an addictionologist with vast experience having worked in the field of professionals with potentially impairing illness since 1998.

Dr Carr is a past President of the Federation of State Physician Health Programs and was a principal author of that body's Guidelines used by state PHPs across the country. He was one of the principal authors of the twelve (12) ASAM Public Policies on "Healthcare Professionals with Potentially Impairing Illness." He was also one of the principal authors of the Federation of State Medical Boards policies on both the impaired physician and professional sexual misconduct. Because of his experience, Dr Carr was selected and has audited several Professionals Health Programs around the country.

Cumulatively, the PHN Committee has 150+ years of experience treating and/or monitoring recovering healthcare professionals.

PHN and its Committee members make themselves available to speak on professional's health matters including substance use disorder, alcohol / drug / mental health impairment, mental and emotional illness, wellness, stress and burnout, suicide, sexual misconduct and more to healthcare groups around the state and nationally. We also provide CE trainings regarding the opioid crisis, prescribing issues and use of the Mississippi Prescription Monitoring Program. We provide a one (1) day CE Wellness Conference for the dental community in Jackson each fall.

## 5.10 Describe your policy and procedure for obtaining and handling records. Description should include but should not be limited to access, storage, and destruction.

Uprise Health is prepared for the responsibility of MPPRPS record keeping of recovery records related to monitoring compliance. Uprise Health has 15 years of confidentially maintaining health professional records. In July 2010, Uprise Health successfully transitioned the confidential records of 345 Licensees from Oregon's past board-run monitoring programs and continues to maintain them in addition to over 1,000 licensees who have since been referred to Uprise Health's recovery monitoring programs.

Uprise Health's case management system is powered by RecoveryTrek and is coded to provide the recovery monitoring team with reports specific to each recovery participant. Records access is limited to the members of the Uprise Health team that are working with the recovery participant.

RecoveryTrek upholds all industry security and confidentiality standards for records maintained in their system. Record access is limited to those who are working with the recovery participant. RecoveryTrek maintains custody of the records for the period of time required by the unique program requirements as regulated by the retention policy and law requirements of that program's state. Being electronic, the physical destruction of records is negated.

**5.10** Describe your policy and procedure for obtaining and handling records. Description should include but should not be limited to access, storage, and destruction.

Current records, including clientele intakes, assessment notes for each visit, doctor referrals, and drug screening, are kept in client files in the file room which are accessible by staff only. Old files and files for those who are no longer clients are stored in a secure storage facility and those files are shredded by a private company after a term of seven years.

#### **Participant Record Security Policy**

PHN maintains program participant records – both electronic and paper - including, but not limited to, anecdotal information, evaluation and treatment reports, COMMITTEE meeting reports, treatment provider reports and associated internal documents. These records constitute a highly sensitive repository of participant data warranting the due diligence and care of those entrusted with their maintenance and security. The following internal PHN controls shall be followed to ensure the security of said records:

- 1) Any electronic record format must have appropriate firewalls. While PHN is not subject to HIPPA, electronic records maintained will comport with HIPPA security requirements.
- 2) PHN paper records must be maintained in a locked metal filing cabinet and within a room that is locked.
- 3) When electronic and/or paper records are open, PHN staff must be in the physical plant when either is in use. Otherwise, these records must be properly secured.
- 4) Records must be maintained in the PHN Office such that visitors do not inadvertently see confidential participant information.
- 5) COMMITTEE members shall have access to any PHN Participant records necessary for their oversight, guidance, and continuing care activities. Typically, this information shall be provided by the Executive Director as a summary statement for the COMMITTEE's consideration at regular PHN COMMITTEE meetings. Actual copies of reports may be provided the COMMITTEE if necessary for the COMMITTEEs review.
- 6) No participant information may be released to any regulatory board or specialty society or other outside group or entity unless approved by the Medical Director or COMMITTEE.
- 7) All PHN paperwork /participant summaries/ records used by the COMMITTEE at its meetings must be carefully safeguarded during the meeting and returned to the Executive Director at the end of the meeting for appropriate secure storage/filing. COMMITTEE members should not take participant written information away from the meeting site.
- 8) Specialists involved in program participant care may be provided with participant contracts and any other information necessary to their best care for the participant. The Medical Director or COMMITTEE may determine what information is appropriate for release to these specialists.
- 9) Some COMMITTEE members also serve as PHN Board members. The PHN Board is not tasked with the evaluation, treatment, and continuing care of program participants. Board

# Mississippi Association of Recovering Pharmacists (MARP) Anti-Harassment and Anti-Discrimination Policy

#### 1. Purpose

The Mississippi Association of Recovering Pharmacists (MARP) is committed to providing a safe, respectful, and inclusive environment for its employees, board members, peer monitors, contractors, volunteers, and participants in the Pharmacy Professionals Recovery Program. Harassment, discrimination, or retaliation of any kind will not be tolerated. This policy ensures compliance with all applicable federal, state, and local laws, including Title VII of the Civil Rights Act, the Americans with Disabilities Act (ADA), and the Mississippi Employment Protection Act.

#### 2. Policy Statement

MARP strictly prohibits harassment, discrimination, and retaliation based on any legally protected status, including but not limited to:

- Race, color, or national origin
- Religion or creed
- Sex, gender, gender identity, or sexual orientation
- Pregnancy or parental status
- Age (40 and over)
- Disability, medical condition, or genetic information
- Veteran or military status
- Participation in recovery or monitoring programs

This policy applies to all interactions involving employees, board members, contractors, volunteers, peer monitors, and program participants.

#### 3. Definitions

#### A. Harassment

Unwelcome verbal, physical, or visual conduct that creates an intimidating, offensive, or hostile environment or interferes with an individual's participation in MARP programs or employment.

#### B. Sexual Harassment

Unwelcome sexual advances, requests for sexual favors, or other verbal or physical conduct of a sexual nature when:

- 1. Submission is made explicitly or implicitly a term of employment or participation;
- 2. Submission to or rejection of such conduct is used as the basis for decisions affecting the individual; or
- 3. The conduct creates a hostile, intimidating, or offensive environment.

**Narrative Summary** 

Dr. Gross attended medical school at University of Texas at San Antonio and finished her residency as Chief Resident at University of Washington in Seattle. She is the current President of the Mississippi chapter of ASAM. After 40 years of service, Dr. Gross retired from direct care but remains Medical Director of Pathway Healthcare in Jackson, MS, providing collaborative support to a team of physicians and advanced practitioners across four states and multiple clinics, in service of Pathway's mission to help people with psychiatric and addictive disorders.

Dr. Gross is author of a set of three books—90 Ways in 90 Days: A Personal Workshop for Women with Disordered Eating—comprising a disordered eating program suitable for women who may or may not also have addictive disorders. The program is based on proven cognitive behavioral techniques and 12-Step recovery concepts and can be used in any treatment setting for women at any stage of motivation for change. The books can also be used in mutual help or book study groups.

Dr. Gross co-authored a chapter in the UK-Wiley-Blackwell textbook *Addictive Disorders in Medical Populations* and was inducted into the American College of Psychiatrists in recognition of contributions to the field. Since its inception in 2009 she has served PHN (Professionals Health Network) in various capacities. Dr. Gross is an American Psychiatric Association Life Fellow, an American Board of Addiction Medicine Diplomate, and an American Society of Addiction Medicine Fellow.
